FOR FAMILIES RESIDING IN WESTFIELD, PORTLAND, BROCTON, FREDONIA, AND STOCKTON

We make every effort to mail our Brocton Newsletters to every family with students enrolled at Brocton Central School and district residents. This mailing list is separate from any first class mailings you may receive from your child's school office or post office. If you know of a family with a student enrolled at BCS or a district resident who does not receive these publications, please notify us by calling the District Office at (716) 792-2173 or by emailing us at contactus@broctoncsd.org.

RACING AGAINST THE CLOCK: BROCTON'S TOP 20 TYPISTS COMPETE FOR THE CROWN

Typing Bowl 2026 was a great success! Brocton Elementary celebrated the top 20 typists from grades 3-5 in a head to head speed typing competition. Students work all year to earn their spot to compete. All finalists received medals and t-shirts. Congratulations to this year's champions:

ELYSSA MCNIFF

NADALIE DITURI

ELLIE ARNOLD

During the competition, finalists were cheered on by their families and classmates. A reception was held in the cafeteria for all finalists and their families.

FROM WATERFALLS TO WOOD-FIRED PIZZA:

Class of 2026 Takes on Watkins Glen

The Class of 2026 recently participated in a two-night senior trip to Watkins Glen, New York. The trip provided students with the opportunity to enjoy outdoor activities, strengthen peer relationships, and create lasting memories together in a structured and supervised setting.

Students traveled round-trip aboard a coach bus. The group stayed for two nights at Watkins Glen KOA. Students were housed in shared cabins. Each cabin included running water, private bathrooms, a queen bed, a full-size sleeper sofa, and a bunk bed.

During the trip, students participated in a variety of educational and recreational experiences. These included guided hikes through Watkins Glen State Park and Taughannock Falls State Park, a self-guided visit to a New York State Fish Hatchery, kayaking, swimming, a sightseeing cruise, and a guided tour of an active dairy farm with delicious fresh chocolate milk and fresh-made cheese from the farm, along with some calf cuddling.

Meals included lunch in Watkins Glen and a farm-to-table lunch at a working farm where all ingredients of the wood-fired pizza were sourced locally, even down to the wheat of the dough. Students also prepared meals together over a campfire, which added to the overall experience.

Approximately 20 seniors attended the trip. In addition to scheduled activities, students enjoyed so many waterfalls, nature, playing in creeks, relaxing, playing hacky sack, and spending quality time together. Overall, the senior trip was a positive experience that allowed students to connect with one another, build independence, and create meaningful memories as a class.

CLASS OF 2026 VALEDICTORIAN

Grace Perry

Grace Perry is a senior at Brocton Central School, she is the daughter of Tammy Wilson and has an older sister, Mikaela Wilson. She currently holds a cumulative average of 96.926 and is ranked first in her class. She will have earned 19 college credits through the New Visions program upon graduation.

Throughout her high school career, Grace has demonstrated strong leadership and involvement. She has served as class secretary and treasurer of the National Honor Society, and has been an active member of Student Council, Cross Country, and Yearbook Club, where she was elected treasurer during her junior year. Grace was also the Westfield Mayville Rotary Student of the Month for October.

Grace Perry takes great pride in her academic success. She currently attends SUNY Fredonia through the New Visions program, a partnership between Erie 2-Chautauqua-Cattaraugus BOCES and SUNY Fredonia that allows high school students to earn college credit toward a degree in Early Childhood Education. In addition, Grace earned her place on Brocton's Board of Education as the ex officio student board member for the 2025-26 season. She hopes that these

experiences and knowledge will aid her in achieving her goal of becoming a secondary social studies teacher.

Outside of her academic and leadership pursuits, Grace enjoys a variety of hobbies that support her interests. She enjoys going for long walks, journaling, baking, and spending time with family and friends. Grace has also developed a passion for running through her participation on the Varsity Cross Country team, she values the dedication, discipline, and sportsmanship that the team fosters.

Looking ahead, Grace plans to attend Florida State University in the fall of 2026 to study Social Science Education.

GRADUATION DAY

You are cordially invited to attend the graduation ceremony for the Brocton Central School District Class of 2026. The event will be held on Saturday, June 27, 2026, at 10:00 a.m. in the Auditorium.

CLASS OF 2026 SALUTATORIAN

Lily Zappie

Senior graduate Lily Zappie of Brocton Central School has dedicated both her academic and musical career to excellence in performance and musicianship. She currently holds a cumulative average of 96.371 and is ranked second in her class. In the fall, Lily will begin her freshman year at Ithaca College School of Music, Theatre, and Dance as a Performance major after earning early acceptance into the prestigious program. Her long-term goal is to perform professionally in Broadway pit bands and touring musicals while continuing to play in jazz ensembles and orchestras throughout her career.

Music has been at the center of Lily's life. She has performed in an impressive 19 pit bands throughout Chautauqua County and recently had the honor of performing for the Mozart Club of Jamestown. Lily is also a member of the Jamestown Community Orchestra under the direction of John Cross. In addition, she has participated in All-County Band annually, has performed for the CCMTA, and has earned recognition for numerous musical accomplishments throughout her high school years. Among the experiences she treasures most are

accompanying acclaimed author and poet Kwame Alexander and the late Maritri Garrett, performances that left a lasting impact on her as both a musician and person.

While serving as a visiting scholar at Chautauqua Lake Central School for the past four years, Lily completed numerous Honors and AP courses in science, mathematics, English, and music theory. Lily had many musical opportunities and is grateful to Mrs. Jen Davis. She also attended the Ithaca Summer Music Academy on the highly competitive Performance Track, further strengthening her passion for music performance.

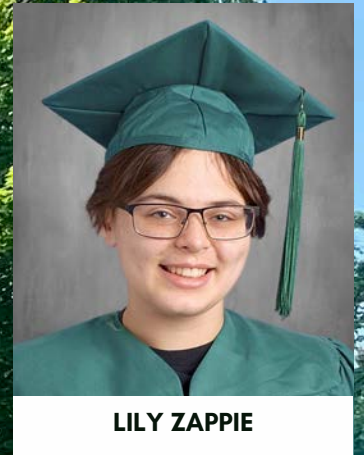

Outside the music room, Lily was an athlete at Brocton, playing girls' volleyball beginning in seventh grade and helping her teams to playoffs twice. Lily also traveled to England and France with the Brocton Travel Club. She is deeply grateful to the elementary teachers at Brocton who supported her journey, especially Brian Hornbuckle, who gave her her very first clarinet lesson and continually encouraged her dream of pursuing music professionally.

Lily would like to thank her parents, James and Kristin, and brother, Anthony, for always believing in and supporting her dreams. She is especially grateful to her grandmother, Dawn Bates, for purchasing her first clarinet, an act that helped begin the musical journey she treasures today. She also lovingly honors the memory of her late Grandma Linda Gugino and great-grandmother Bea Draudt, who loved her "to the moon and back." Lily carries their love and encouragement with her as she begins the next chapter of her musical career.

One Last Huddle

A MESSAGE FROM THE SUPERINTENDENT

Mr. Jason Delcamp

As we approach the conclusion of the 2025-2026 school year, it is hard to believe how quickly the year has passed. Inside this edition, you will find information celebrating the Class of 2026. What an outstanding group of students who will soon join the ranks of Brocton Central School alumni. Through hard work, perseverance, and dedication, they have successfully completed their high school journey and are well prepared for the next chapter of their lives, whether that includes college, military service, career opportunities, or other pursuits. The accomplishments of our graduates are a reflection not only of their own efforts, but also of the unwavering support provided by their parents, guardians, families, teachers, and mentors. On behalf of the entire Brocton Central School staff, I extend my sincere gratitude to the parents and guardians who have partnered with us throughout your child's educational journey. Your commitment, encouragement, and support have played an invaluable role in their success.

I would also like to thank all Brocton Central School District residents who took the time to participate in the annual budget vote and Board of Education election on May 19, 2026. We greatly appreciate your continued support of our schools and educational programs. Your investment in our students allows us to maintain a safe, welcoming, and high-quality learning environment. While I may be a bit biased, I believe Brocton Central School is one of the finest educational facilities in Western New York. We take great pride in maintaining a campus that serves as a source of pride for both our students and our community.

As we look ahead to the 2026-2027 school year, we remain committed to identifying opportunities for growth and improvement in all areas of our educational program. We will continue to focus on strengthening academic achievement, supporting students in meeting graduation requirements, and ensuring they are prepared for success in college, careers, and life beyond high school. Equally important, we will continue our mission of building authentic relationships with the students we serve while fostering a safe, inclusive, and supportive learning environment where every student has the opportunity to succeed.

CONGRATULATIONS TO THE CLASS OF 2026!

We are incredibly proud of all you have accomplished and the individuals you have become. As you move forward, continue to set ambitious goals, work diligently toward achieving them, and embrace the opportunities that lie ahead. Your school and community are proud of you and look forward to the positive impact you will make in the years to come. We wish you nothing but success and happiness in all of your future endeavors.

Mr. Jason Delcamp, Superintendent

Mrs. Ashley Means, CEOE, Secretary to the Superintendent and District Clerk

MISSION STATEMENT

The Brocton Central School District will provide to all students a sound environment for educational excellence that will develop the skills, attitudes, knowledge, and values to become contributing members of society. We will encourage individual excellence by students of all ages so that they may gain a lifelong enthusiasm for learning and work.

VISION STATEMENT

The Brocton Central School District will build and sustain a community of reflective and inclusive life-long learners, which inspire educators to improve instruction through focused, job-embedded professional learning, aligned to district and state standards where students demonstrate holistic success, and make positive meaningful contributions.

CELEBRATES COLLABORATION & EXCELLENCE AT CCAEOB ANNUAL BOSSES NIGHT

On April 30, 2026, Brocton Central School District administrators and secretaries attended the Chautauqua County Association of Educational Office Professionals (CCAEOB) 74th Annual Bosses Night and Annual Meeting. The premier event serves as a wonderful opportunity for school districts across Chautauqua County to unite, share insights, and support one another's shared mission in education. Beyond fostering county-wide collaboration, the evening highlights outstanding achievements within the school community. Each year, the CCAEOB awards two meaningful scholarships—one academic and one inspirational—to deserving graduating seniors in Chautauqua County. The evening culminates with the highly anticipated announcements of the CCAEOB Administrator of the Year and Office Professional of the Year. Brocton CSD is proud to participate in this long-standing tradition that celebrates the dedicated professionals and exceptional students who make our county's schools thrive.

COMMUNITY ACTION

Bring Vital Driving Lessons

On May 27, 2026, students in grades 10 through 12 at Brocton Central School District had the opportunity to witness a powerful and emotional Mock DWI Presentation. This trauma-informed presentation was designed to raise awareness about the devastating consequences of impaired and distracted driving.

Student volunteers played a vital role in bringing this important message to life. Working alongside community partners, they participated in a realistic skit that portrayed the aftermath of a serious motor vehicle collision caused by impaired driving. Their dedication and courage helped create a meaningful and impactful experience for their peers.

The presentation served as a powerful reminder of the importance of making safe and responsible decisions behind the wheel. By illustrating the real-life consequences that can result from impaired or distracted driving, community partners hope students will carry these lessons with them for years to come and always make choices that help ensure everyone gets home safely.

This event would not have been possible without the support, collaboration, and commitment of our community partners. We extend our sincere appreciation to:

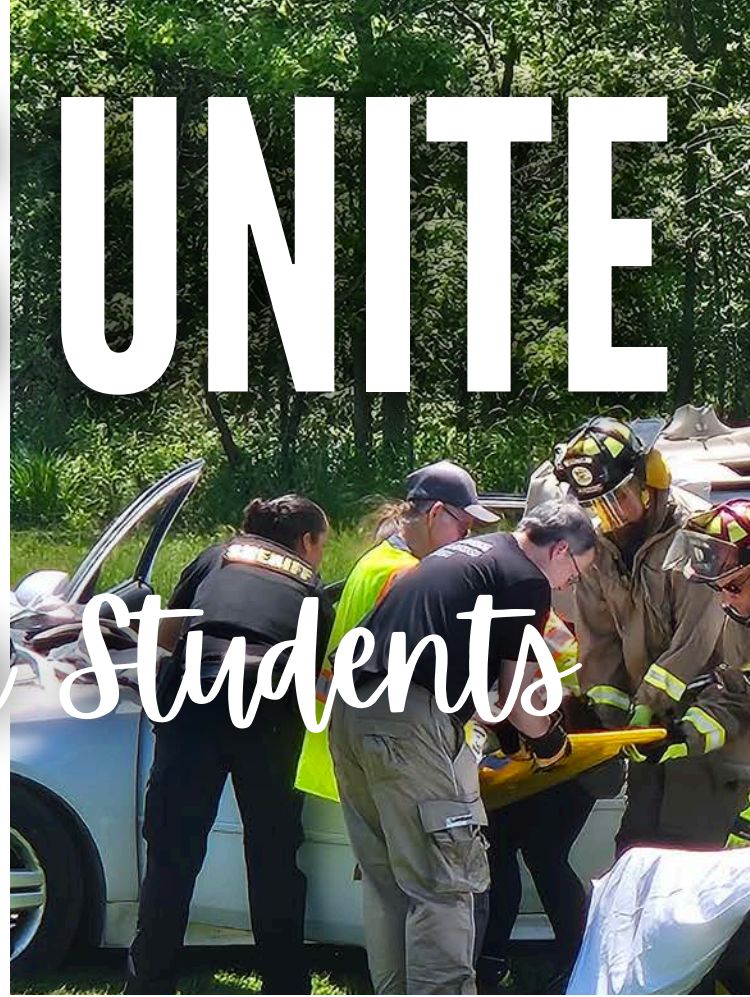

- Brocton Central School District Administration and Staff
- Chautauqua County Sheriff's Office
- Brocton Fire Department
- Portland Fire Department
- Chautauqua County EMS
- STAT MedEvac
- Chautauqua County Coroners
- Townline Auto Towing
- Town of Portland Justice Court - Judge Thompson

Together, these agencies and organizations helped provide a realistic and memorable learning experience that reinforces the importance of safe driving and community responsibility.

A MESSAGE FROM THE MIDDLE/HIGH SCHOOL PRINCIPAL

Mr. Micah Oldham

As we move through another exciting season at Brocton Central School, I want to take a moment to thank our parents and families for the incredible support you provide each and every day. Your partnership with our school plays a big role in the success of our students. Whether you are attending events, supporting academics at home, cheering from the sidelines, or simply encouraging your child to give their best effort, your involvement makes a tremendous difference in creating a strong and positive school community.

Our students continue to impress us with their dedication and hard work in the classroom. Teachers consistently share stories of students pushing themselves academically, supporting one another, and showing resilience when faced with challenges. Success is not measured only by grades, but by growth, effort, and the willingness to continue learning each day. We are proud of the commitment our students demonstrate as they prepare for their futures.

Beyond academics, our student-athletes have represented Brocton with pride throughout the spring season. On the fields and tracks, they have displayed teamwork, sportsmanship, and determination. Athletics provide valuable lessons that extend far beyond competition, helping students build discipline, leadership, and confidence. We are grateful to our coaches, advisors, and families who dedicate countless hours to supporting these opportunities for our students.

Our students also continue to excel through participation in clubs, activities, performances, and leadership opportunities throughout the school and community. Whether participating in music programs, community service projects, or school events, students are discovering their strengths and developing skills that will serve them well long after graduation. Their involvement helps create a vibrant and welcoming school environment that we can all be proud of.

John Wooden once said, "The true test of a person's character is what they do when no one is watching." Developing leadership is about much more than holding a title; it is about making responsible choices, showing kindness to others, and consistently demonstrating integrity. We encourage all of our students to continue striving to become positive role models both inside and outside of school.

As we look ahead to the final weeks of the school year, we remain grateful for the continued partnership between our families, staff, and community. Together, we are creating opportunities for students to grow academically, socially, and emotionally. Thank you again for your trust, encouragement, and support. We are proud of all that our students have accomplished and look forward to finishing the year strong together.

Yours in education,

Mr. Micah Oldham, Middle/High School Principal
Mrs. Hannah Buss, Interim Middle/High School Secretary

CHILD FIND

Child Find is a component of the Individuals with Disabilities Education Act (IDEA) that requires states to identify, locate and evaluate all children suspected of having disabilities. The search is for children birth to 21 years of age who are in need of early intervention, preschool, or school age services. If you suspect your child has a disability, or you have questions or concerns, please contact Melanie Ulinger, Director of Special Education, at (716) 792-2132.

BRINGING HISTORY AND HUMAN RIGHTS TO LIFE IN Washington, D.C.

Students from Mrs. McCausland's JCC World History class and Mr. Mulcahy's Human Rights course recently traveled to our nation's capital, Washington, D.C., to deepen their understanding of history, human rights, and social justice through firsthand experiences.

During the trip, students explored the National Archives Building, where the founding documents of the United States are preserved, and visited the powerful exhibits at the United States Holocaust Memorial Museum. They also toured the United States Capitol to learn more about the structure and function of American government.

Students also experienced a memorable night tour of Washington's iconic memorials and monuments, reflecting on the individuals and events that have shaped our nation.

Our trip also included a meaningful visit to the Temple Rodef Shalom, where students had the opportunity to learn more about Judaism, Jewish culture, and religious traditions while engaging in thoughtful discussion and cultural learning.

Experiences like this bring classroom learning to life and help students better understand the importance of history, tolerance, and global citizenship!

BCS ALUMNA KARI DOINO INSPIRES SOPHOMORES, JUNIORS, & SENIORS

Brocton Central High School recently had the pleasure of welcoming back alumna Kari Doino to speak with sophomores, juniors and seniors in Ms. Marsh, Mrs. Bates and Mrs. Sigeti's classes. Speaking from her successful 20-year career with Tops Friendly Markets, Mrs. Doino shared valuable industry insights and encouraged students to explore employment opportunities within the company.

During her presentation, Mrs. Doino highlighted several advantages of working for Tops, including competitive wages, excellent benefits, and flexible scheduling tailored for students. She challenged the classes to think outside the box when considering their employment options, emphasizing the high potential for internal promotion and long-term career growth. To show this, she pointed out that Tops offers corporate careers across many of its retail divisions, showing students that an entry-level job can easily turn into a full-time professional career.

BROCTON STUDENTS TAKE LEARNING BEYOND THE CLASSROOM ON BETTER WORLD DAY

Classrooms were empty, but learning was in full force on Friday, May 1st, as students from Brocton Middle and High School took part in the district's inaugural Better World Day, a day dedicated to service, community engagement, and real-world learning.

Students in grades 6 through 12 spent the day carrying out service projects aimed at addressing needs within their local community. From visiting nursing homes and rehabilitation centers to cleaning up local parks and the Rails to Trails system, students worked to make a tangible difference. Others contributed by partnering with the Portland Museum, enhancing school grounds, and visiting the local American Legion. At the Legion, students presented handcrafted wooden signs created in their technology classes honoring each branch of the U.S. Armed Forces.

Despite less-than-ideal weather conditions, student enthusiasm remained high throughout the day.

"This was real learning," principal Micah Oldham noted, pointing to student reflections during an end-of-day debrief as evidence of the program's impact.

Sixth-grade student Christian Siskar reflected, "Sharing kindness is better than getting it because it just makes you feel so good."

Sophomore Noah Berdyck emphasized the broader impact of the day, saying, "We control our community, so why not make it better more often?"

"You can make people really happy by doing simple things," added sixth-grader Mikhailia Erikson.

Students also spoke about the most meaningful aspects of their experiences. Senior Liam McCausland highlighted the importance of collaboration, noting that being "part of a group and doing something worthwhile" stood out most. Eighth-grade student Josh Lanski found satisfaction in visible results, saying, "Seeing how clean it looked after the trash was picked up made me realize that we made a difference."

For seventh-grader Sophia Flores, the emotional impact was clear: "The most meaningful part of the experience was the residents' smiles because I was glad I could put a smile on someone else's face."

The overwhelmingly positive feedback from students reinforced the day's purpose: to foster a sense of responsibility and civic engagement. School leaders view Better World Day as a key step toward their long-term goal of developing active, engaged citizens. If the program continues annually, current sixth-grade students will complete seven service projects by the time they graduate in 2032.

Planning for Better World Day began as an idea last summer and evolved through months of preparation by staff and students alike.

While the rain may have dampened the ground, it did little to dampen spirits. By the end of the day, students returned not only with stories of service, but with a deeper understanding of their ability to create positive change.

FROM THE SWISS ALPS TO THE MEDITERRANEAN:

Brocton Travel Club Explores Europe

Brocton students traveled abroad to several major European locations over Spring Break, as Travel Club visited Switzerland, Italy, and France. Students, teachers, and parents explored the cities, saw the most famous sights, and immersed themselves in different cultures. They climbed to the top of the Swiss Alps, rode gondolas and saw a glass-blowing exhibition in the canals of Venice, explored the streets of Rome (and even got to witness an address by the Pope!), and basked in the views of Monaco, Nice, and the Mediterranean Sea.

These students served as incredible ambassadors for our school district, and made Brocton proud as they made new friends across the globe. These adventurers are already gearing up for their next journey... if you would like details, reach out to advisors Mrs. Ragan and Mr. Perry.

A HARMONY OF GENERATIONS:

Brocton High School Band Performs for Senior Citizens

On Tuesday, March 31, the Brocton Portland Senior Citizens gathered for their monthly meeting at the American Legion J.W. Dill Post 434. Following a shared meal, the group enjoyed a special performance by members of the Brocton Central School District High School Band. Under the direction of Mr. Brian Hornbuckle, the student musicians performed a selection of jazz favorites, providing a wonderful afternoon of entertainment for all in attendance.

A MESSAGE FROM THE MIDDLE/HIGH SCHOOL COUNSELOR

Miss Ashley Zambotti

As the school year comes to a close, I want to congratulate the Class of 2026 on reaching this incredible milestone. Seniors, we wish you nothing but success and happiness as you begin the next chapter of your journey. It has been a pleasure to assist you all in planning for the next chapter of your life! Please remember that the BCS Guidance Office is always here to support and assist you even after graduation!

The past few months have been spent meeting individually with every student to complete course selection, explore post-secondary options, and also grow in their social-emotional learning. I have thoroughly enjoyed meeting with our students and learning how I can best assist them throughout their time here at BCS!

As summer is approaching, please note the following: Summer School for the 2026 year will be provided by Erie 2 BOCES at Brocton Central School. The deadline to register for Summer School classes will be **June 25th, 2026.**

- Summer School registration packets can be picked up in the Guidance Office or completed online via Google Forms.
- Classes begin on July 6th, 2026
- Classes end on August 14th, 2026
- **Transportation is not provided by the district.**
- Time: 7:55 AM- 12:05 PM
- Students may only register for two courses.
- 50% needed in the class to enroll.

Regents Review and Regents Re-takes: Students must be pre-registered to take any Regents exams. The deadline for Regents Review and Regents Testing registrations will be noon on **July 9th, 2026.**

- Regents review courses run from August 10th, 2026, to August 13th and August 17th: 8:00 AM- 12:00 PM.
- Regent exam retakes are held on August 18th and August 19th

For questions, please contact the following:

- Ms. Ashley Zambotti: Middle/High School Counselor: (716) 792-2191 or azambotti@broctoncsd.org
- Mrs. Skinner: Guidance Office Secretary: (716) 792-2191 or lskinner@broctoncsd.org

I hope all of you have an amazing and safe summer!

Miss Ashley Zambotti, Middle/High School Counselor
Mrs. Laurie Skinner, Guidance Counselor Secretary

AUGUST 18TH & AUGUST 19TH

A SEASON TO REMEMBER, A LEGACY BUILT.

SPRING 2026

SECTION VI, CLASS D CHAMPIONS!

Congratulations to the Brocton Central School Varsity Bowling Team for their outstanding performance at the Sectional matches held on February 10, 2026! Demonstrating remarkable skill and determination, the team has officially secured the title of Section VI, Class D Champions.

A heartfelt commendation goes to Coach Laurito and the entire team for this historic achievement. The Brocton community takes immense pride in your hard work and well-deserved success this season!

REGIONAL TOURNAMENT CHAMPIONS!

Congratulations to the Brocton and Cassadaga Valley Unified Bowling Team for winning 1st place in their bracket at the Regional Tournament on March 3, 2026!

A special thank you to Coach Galofaro for his excellent leadership, and fantastic job to all the athletes. The entire community is incredibly proud of your teamwork and success!

UPCOMING EVENTS

For information on upcoming events, please visit the district website at www.broctoncsd.org, the district's Facebook page (Brocton CSD, NY) or access the district app (Brocton CSD, NY). The Brocton Central School District is committed to keeping you informed and updated on all upcoming events.

A MESSAGE FROM THE ELEMENTARY PRINCIPAL

Mrs. Molly Behlinger

As I reflect on my first year in Brocton, one word continues to come to mind: GRATITUDE!

This year has been filled with learning, growth, and countless memorable moments. Above all else, I have learned that we have truly amazing children. Getting to know our students has been one of the greatest highlights of my first year. Their kindness, humor, resilience, creativity, and enthusiasm make our school a special place each and every day.

I have also learned that our community is deeply invested in its children. As a principal, there is tremendous comfort in knowing that families, community members, and school staff all share a common goal: helping our students thrive. When we share support, encouragement, and partnership it makes a meaningful difference, and for that, I am sincerely grateful.

I am also grateful and motivated by the extraordinary dedication of our staff. Every day, I have the privilege of working alongside individuals who care deeply about children. Their commitment is evident in both the big and small moments, whether it is offering a student a reassuring smile, a gentle squeeze on the shoulder when encouragement is needed, or holding students accountable in ways that teach valuable life lessons and prepare them for future success. They show up each day committed to helping students learn, grow, and succeed. Their dedication deserves recognition and appreciation.

This year, our staff set ambitious goals for ourselves and our students. We focused on strengthening vocabulary instruction, implementing a new curriculum aligned to the Science of Reading with the long-term goal of increasing the number of students reading at grade level, and advancing our PBIS practices and supports throughout the school. I can say with complete confidence that we have exceeded the goals we set. For our vocabulary goal we grew 136% this year school-wide on vocabulary skills. Our students reading on grade level went from 30% last year, to 45% this year. That is a tremendous jump in the right direction! These accomplishments are a direct reflection of the hard work, dedication, and care our staff brings to their work every day. For our PBIS goal, we have established strong tiers that support students at all levels of needs, and have organized and hosted many positive school-wide experiences that create fun and lasting memories for our students.

As summer approaches, I am always struck by how quiet the building becomes. During the summer months, when I am working in the building, the silence can feel a little sad. Schools are meant to be filled with laughter, joyful conversations, learning, and even a little harmless mischief. Those sounds are what bring a school to life. That is why I am especially excited that we will have summer programming taking place this year. I look forward to seeing our students!

As families head into summer, I would also like to share a few thoughts inspired by the book *The Anxious Generation* by Jonathan Haidt. In the book, Haidt discusses research examining children's mental health and the increasing role smartphones and technology play in their lives. One of his central arguments is that childhood has shifted from being "play-based" to increasingly "phone-based."

Historically, children developed resilience, problem-solving abilities, and social skills through unstructured play with peers. Today, many children spend significantly more time interacting with screens and less time engaging in independent play.

CONTINUED: A MESSAGE FROM THE ELEMENTARY PRINCIPAL

Why does this matter?

- Play helps children learn how to manage conflict and navigate challenges.
- Play builds confidence, independence, and resilience.
- Play teaches risk assessment, decision-making, and problem-solving skills.
- Play creates opportunities for meaningful social connections and friendships.

Living in our region, we know that beautiful weather can feel far too short-lived. Summer gives us a wonderful opportunity to take advantage of those sunny days. As parents and caregivers, one of the greatest gifts we can give our children is the opportunity to simply be kids. Encourage them to ride bikes, play outside, explore nature, build forts, play games with friends, and create memories. I encourage you to take their screens away when possible.

Finally, thank you for welcoming me into this community during my first year. It has been an honor to serve alongside such dedicated staff, supportive families, and remarkable students. I am grateful to be part of this school community and excited for all that lies ahead.

I wish each of you a safe, joyful, and relaxing summer.

Mrs. Molly Dehlinger, Elementary Principal

Ms. Kathy Garnsey, Elementary Secretary

BROCTON GIRLS ON THE RUN CROSS THE FINISH LINE for Season Two!

Brocton Girls on the Run recently completed its second successful season! Eight dedicated girls participated in 16 training sessions, building confidence, teamwork, healthy habits, and running endurance throughout the program. Their hard work and commitment prepared them for the end-of-season 5K celebration on June 8, 2026, where they proudly showcased all they had accomplished. We are incredibly proud of their growth, determination, and positive spirit throughout the season!

PAGE-TURNERS AND TROPHY EARNERS: Brocton 'Spine Crackers' Take 3rd at Battle of the Books!

Fifth grade readers from Brocton Elementary joined Ripley Central School to hold their own Battle of the Books in April, 2026. This reading trivia tournament has students reading and learning 10 different novels inside and out and meeting twice weekly before school in the months leading up to this competition.

Battle of the Books has had a home at Chautauqua Institution since 2017, but was discontinued this year. This didn't stop local districts from organizing this important experience for their students.

"Making reading cool isn't just about getting kids to pick up books — it's about showing them that knowledge, curiosity, and teamwork matter. Battle of the Books proves that academic competitions deserve the same excitement and recognition as athletics because students should be celebrated just as loudly for what they learn as for how they play," said Brocton's District Librarian and team leader, Jacob Galofaro.

Naming themselves the "Spine Crackers", Brocton students were welcomed by Ripley's students, teachers, and especially librarian Ms. Karen Kondrick who organized this event. Competing against other fifth and sixth grade teams, Brocton took home the third place trophy.

Brocton's team was made up of team captain, Lilly Burrows, Gianna Himan, Mara Oldham, and Evelyn Skelly.

"I cannot thank the faculty, staff, and administration of both Brocton and Ripley school districts for their support of this program," Mr. Galofaro said. He also wanted to especially thank the parents of his students.

"Not only do these parents cheer from the bleachers, they encourage and support, they spend time reading at home, and instill the importance of learning through each chapter of their children's education."

Parents and students celebrated with a stop at McDonald's on their way back to school!

GRADES K-5 *connect for a* SPECIAL DAY *of reading*

Our School Literacy Committee had been hard at work finding fun and meaningful ways to celebrate and encourage a love of reading in our students.

On May 29th, every student in grades K-2 was paired with a reading buddy from a classroom in grades 3-5. Our older students spent time reading books with their younger buddies, discussing stories, sharing ideas, and building connections together.

Not only did we enjoy the beautiful weather and wonderful books, but we also witnessed something truly special... students beaming with pride as they showed off their reading skills and confidence. The smiles, encouragement, and excitement for reading were contagious!

We were so proud of all of our students for making that day such a joyful celebration of literacy and learning together.

A PALETTE OF PERSPECTIVES: BCS STUDENT ART TOOK CENTER STAGE

The Brocton Central School Art Department proudly celebrated 82 students whose artwork was showcased in the Lake Shore Center for the Arts "Student Art Show" in Westfield, N.Y.

The exhibition featured selected works from kindergarten, middle school, and high school students across the Brocton, Westfield, and Chautauqua Lake School Districts, celebrating the immense imagination and talent of the region's young artists.

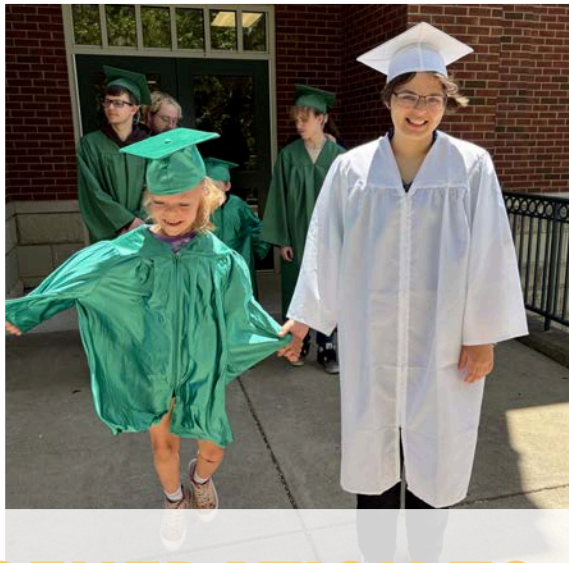

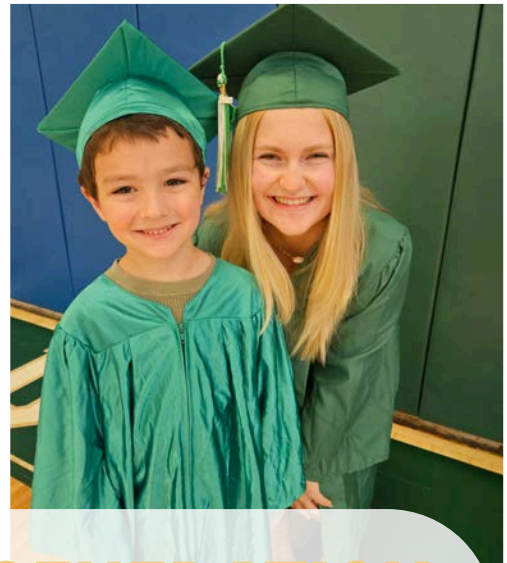

Brocton students displayed pieces spanning a wide variety of mediums, including chalk pastel, pencil, oil pastel, ceramics, digital, and mixed media. Each piece told a unique story, offering visitors a glimpse into the creative perspectives of the young creators.

"We are incredibly proud of our students' achievements and excited to share their creativity and talent with the community," shared Ms. Stephanie Brash, Middle School/High School Art Teacher, and Mrs. Amy Gawronski, Elementary Art Teacher.

The successful exhibition ran through the month of March with free admission to the public.

**"ALONE WE CAN DO SO LITTLE;
TOGETHER WE CAN DO SO MUCH."**

A FOND FAREWELL TO TWO BULLDOG PILLARS

This year, the Brocton Central School District bids a heartfelt farewell to two exceptional Bulldogs: Mrs. Stephanie Aniszewski (Elementary Teacher) and Mr. Kevin Cobb (Full-Time Bus Driver). Throughout their years of service, they have been so much more than staff members—they have been dedicated co-workers, trusted mentors, and true friends to many. Both have set a wonderful example of excellence and kindness that will be deeply missed and long remembered by everyone fortunate enough to have worked alongside them. We thank Mrs. Aniszewski and Mr. Cobb for their cumulative 43 years of dedicated service to the Brocton Central School community, and we wish them the absolute best in their well-deserved retirement!

BROCTON CSD PROPOSES SMART SCHOOLS SECURITY ELEMENTS

The Brocton Central School District is preparing to utilize a portion of its remaining Smart Schools Bond Act allocation to further strengthen campus safety and emergency communication systems during the 2026-2027 school year.

The Smart Schools Bond Act, approved by New York State voters in 2014, provides funding to school districts for educational technology, infrastructure improvements, and enhanced school security. Brocton currently has \$353,063 remaining in its Smart Schools allocation.

District officials have identified safety and security as a top priority and are proposing a project focused on improving the effectiveness of emergency announcements and communications throughout the campus. The initiative builds upon upgrades completed during the summer of 2024 when the district replaced its aging public address (PA) system as part of an emergency capital project.

While the current system includes emergency call buttons and is integrated with the district's lockdown notification system, some areas of the campus continue to have limited announcement coverage. The proposed project would address these gaps by expanding and enhancing the existing system.

Planned improvements include additional speaker coverage in stairwells, locker rooms, and restrooms; replacement of more than 20-year-old exterior warning horns; installation of visual status lights in noisy locations such as gymnasiums, cafeterias, and the technology shop; and the addition of emergency call buttons in the technology shop that connect directly to the Main Office and Health Office.

The project would also strengthen the district's lockdown notification capabilities by ensuring emergency alerts are more effectively communicated both inside and outside school buildings.

Proposed equipment and installations include:

- 32 Replacement Exterior Horns
- 9 New IP speakers
- 6 Standard Speakers
- 7 Visual Status Indicator Lights
- 2 Emergency Call Switches

The total project cost is estimated at \$46,860, including equipment, installation labor, project management, and administrative expenses. Following completion of the project, Brocton would retain an estimated Smart Schools Bond Act balance of \$306,203 for future eligible improvements.

PUBLIC REVIEW AND APPROVAL PROCESS

The Board of Education is expected to approve the preliminary Smart Schools Investment Plan #3 on July 8, 2026. Following preliminary approval, a required 30-day public comment period will be conducted from July 9 through August 9, 2026. During this period, community members may review the complete plan on the District website and submit comments or questions via email to smartschoolproject3@broctoncsd.org.

A public hearing on the proposed Smart Schools Investment Plan #3 will be held on August 12, 2026, at 5:00 PM in the District Auditorium. The hearing will provide an opportunity for residents, parents, staff, and community stakeholders to learn more about the proposal and offer feedback.

Following the public comment period and hearing, the Board of Education is scheduled to consider final adoption of the Smart Schools Investment Plan #3 on August 26, 2026, at 6:00 PM. Upon Board approval, the plan will be submitted to the New York State Education Department for final review and authorization.

District leaders believe these enhancements will further support a safe, secure, and responsive learning environment for students, staff, and visitors while maximizing available state funding dedicated to school safety and technology improvements.
