"YOU CAN'T HIDE THAT CARDINAL PRIDE"

SUPERINTENDENT'S UPDATES FOR THE WEEK OF APRIL 20, 2026

As we begin the transition into the final stretch of the school year, our focus remains on finishing strong—academically, socially, and emotionally. This is a time to celebrate growth, reinforce positive habits, and support students as they prepare for the next step in their educational journey. We encourage families to stay engaged, maintain routines, and communicate with teachers as needed. Together, we can ensure a smooth, successful close to the year while recognizing the hard work and accomplishments of our students and staff.
