Adopt-A-Family

The Adopt-A-Family Fundraiser is underway and our High School Student Council Members are planning to do the shopping on Tuesday, December 16, 2025. Funds will be used to support to families who are facing financial hardship during the holidays. I have always been proud of our community and the support that they give to those in need. Please consider helping us reach our goals by donating to this worthy cause.

"Be sure you put your feet in the right place, then stand firm."
