Millington Community Schools School Safety Update

March 26, 2026

Dear Parents and Community Members:

I am writing to make you aware of a “swatting” type police investigation that took place this afternoon at Millington Community Schools. Swatting is a dangerous, illegal prank where a perpetrator makes a false emergency report – such as a bomb threat, hostage crisis, or active shooter – to 911, intended to trigger a massive, armed law enforcement response.

District office received an anonymous call at 10:46 am that constituted a bomb threat. All classrooms district-wide were put into “shelter in place” while the Millington Police Department and Tuscola County Sherriff’s Office swept campus to ensure that there were no suspicious packages or individuals. The students returning from the Tuscola Technology Center remained on the bus through the duration of the police investigation. Law enforcement finished a sweep of the campus and deemed that it was safe to return to our classes. We will continue with our regular schedule for the remainder of the day. Law enforcement has clearly indicated that there is **no credible threat** to our students or staff and believes the call originated from individuals outside the area, possibly outside the country. Most importantly, **our students and staff are safe**.

Please remember that the situation has been dealt with in an appropriate manner by all involved. Through the great efforts and immediate cooperation of the Millington Police Department and school administration, we were able to ensure the safety of the staff and students of Millington Community Schools.

School safety requires everyone to work together: staff, students, parents, and the community. If you notice any behavior in a student or resident that seems suspicious and you don’t feel comfortable contacting the school or police, please access the Michigan “OK2SAY” app/website, an anonymous tip line. Since its creation in 2014, OK2SAY has received over 10,000 tips statewide, preventing multiple tragedies, including planned school attacks and student suicide. OK2SAY is confidential and available 24/7. To report a concern, please call 1-855-565-2729, text 652729, e-mail ok2say@mi.gov, or visit their website: www.mi.gov/ok2say.

As always, thank you for all of your cooperation and support.

Yours truly,

Steve Bouvy, Superintendent
Millington Community Schools
