SUPERINTENDENT'S UPDATES FOR THE WEEK OF MAY 11, 2026

Back to School 2026-2027

The first day of the 2026-2027 School Year is Wednesday, August 26, 2026. We are working to finalize the schedule and provide opportunities for students to tour the buildings before the first day of school. The tentative date for orientations at the buildings is Monday, August 24, 2026.

More information will follow as we finalize the details. We are also working to implement strategies that help our students, especially in the early grade levels, understand and follow the busing procedures at the start of the school year.
