Foundations for the Future.

The 2025–26 school year was a historic year for Moorhead Area Public Schools, guided by our district theme: “Foundations for the Future.” This theme honored the vision, dedication, and collective effort required to prepare our students not only for graduation, but for the lives they will lead and the communities they will shape. Building on the momentum of past years, “Foundations for the Future” celebrated what we have accomplished together and recommitted to the groundwork needed for generations to come.

Dr. Brandon Lunak
Superintendent
