# GIRLS' BASKETBALL

## Building A Tradition

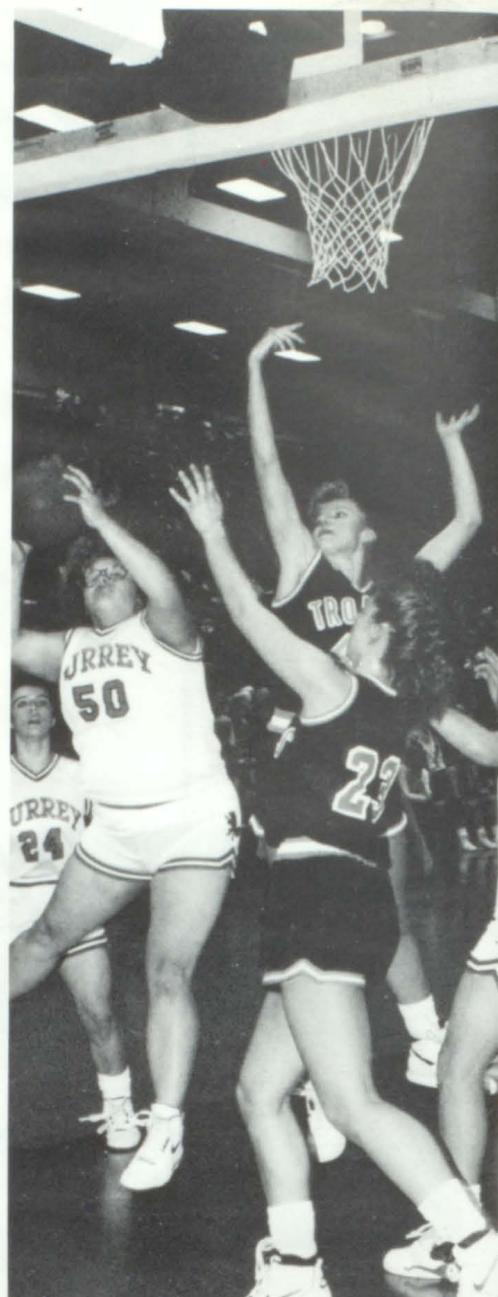

Kara Sellon and Dawn Makeeff attempt to block a shot.

What a season! Game after game the Lady Trojans ignited a spark that they hoped to fan into flames by season's end. The girls placed second behind Washburn in the McLean County Tournament in mid-season and had high hopes of turning the loss to victory by the districts, but again came in behind the Cardinals with a second place finish. The toughest and hardest game of the season was the final game of the regional tourney with their loss to Kenmare to place them fourth in the Region.

Not an easy hand-off from this position!

# FOOTBALL

The season was a good one and one for the Trojan gridders to be proud of. The team was the region runner-up and their only loss in regular season play was to Maddock-Edmond.

The team entered the playoffs by making a trip to Lignite to play Burke Central on October 30. Mileagewise it was a long trip for the Trojans and the team lost the first playoff game. It was a disappointing loss for the team, but it will be a good season to look back on.

### PEP CLUB '90-'91

The Pep Club's main responsibility is to be there to support our athletic teams at games. There are times when this gets tough, but they always managed to do a good job. Also, as a thank you gesture for the support of the parents, a Parent's Night luncheon is sponsored by the club at the end of each athletic season.

## The 'Heart And Soul' Of Organization CLASS OFFICERS

Each year the classes choose through elections a new slate of class officers. These people lead the class in decisions about dues, floats, and in general, just how to raise money. Different classes choose to sell candy, sell concessions, sponsor cake walks, serve banquets, or sponsor dances. Each class pays dues but the amount that is charged varies with the classes.

BOARD OF EDUCATION. Standing: Chairman Mick Grosz, Ed Schumann, and Larry Rice.  
Seated: Carvel Lick, Vice-chairman Fred Fischer, Jon Seeger, and Marshall Maxwell.

Most people don't figure a school building to be a business place, but spend a day in the office and you will quickly see different. These people make sure that all things are ordered and in order for the everyday operation of the school. For example, it is one thing for a teacher to need new texts, but someone has to make sure there is money in current budget, someone makes sure it is the proper text for the class, before the book actually gets to the classroom.

The above is only one small example of the many responsibilities of this staff.

## AUXILIARY STAFF

The people pictured on this page provide us with many of the day to day services that we take for granted. It is one thing for a teacher to meet the students in the classroom every day with a prepared lesson, but as students, we tend to forget about the people who get us to school, prepare our lunches, take care of us when the pressure gets to great, or clean up after us when we can't get the garbage to the waste basket. Hats off to all of you!

## CLASSROOM CANDIDS

School at Turtle Lake-Mercer involves a lot of hard work, but there are many times when the work can be set aside and the students can take time to enjoy their friendships.

# BAND

The TLM band consisted of thirty-nine members in grades 9-12. The highlight of this year was the band and choir tour in April. The group played at

Sawyer and Granville, and then went on to Minot for a night of fun and relaxation.

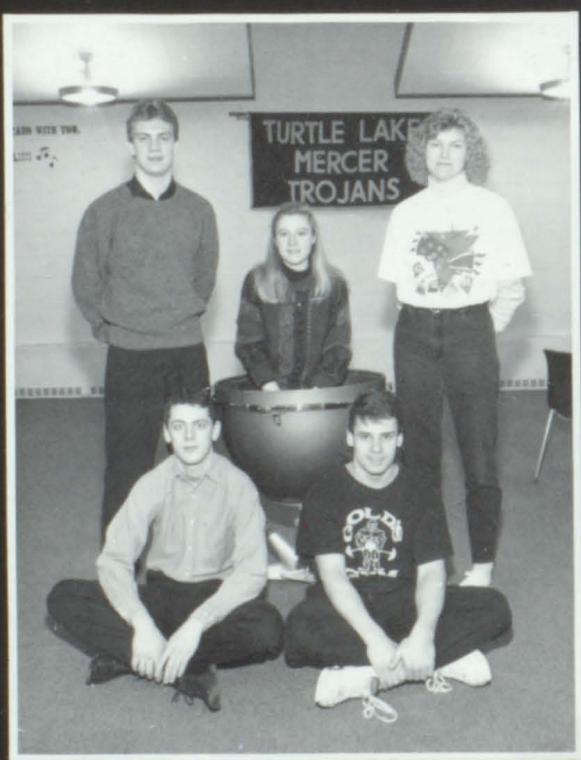

At the regional music festival in Bismarck the band received two number one ratings and a two plus.

## To Recap A Season . . .

is to say that there were exciting times and close scores during the season, but not everything went the way the Trojans would have liked to seen it. A tough loss in the county tourney and two good games following placed them fifth while improvement during the season gave them a third place finish in District 16.

# CHEERLEADERS

It will always be a season to remember. Never before had the Trojanettes placed so high in a state competition, and yes, now a state championship is a reality. "Bart Dance" captured the first place trophy at State Competition in Fargo. The girls also took home fourth place honors in the dance and drill category.

At the Western Dakota Competition in Garrison they also received a first place trophy in the novelty division and a second place in dance and drill.

# Facing The Growing Changes In American Agriculture

## FFA

We all know about or couldn't help to have heard the words "farm crisis". The students of the local Future Farmers of America Chapter are learning first hand the meaning of those words and the impact they are having on our economy. Through classroom work, shop work, and extra curricular activities these members are getting hands on knowledge that will help prepare them for life skills in agriculture and agriculture related fields.

One new addition to our vocational agriculture program this year was the DTN computer network. This brings the students up to the minute market reports, weather, and futures.

## A Fond Farewell To An Organization

### FHA

Despite being its last year as an organization at TLM the FHA had a busy year. They sponsored a Santa Day, served for the FFA Crop and Livestock Judging Contest, donated money to the Anne Carlson School, and went skiing with the FFA.

The chapter will be honored as a Champion II chapter during a recognition session at the 1991 National Leadership meeting in Washington, D.C. in July.

Linda Schock served as the advisor for the organization. From the staff and members of the student body we wish this organization a fond farewell!

## SNOW WEEK

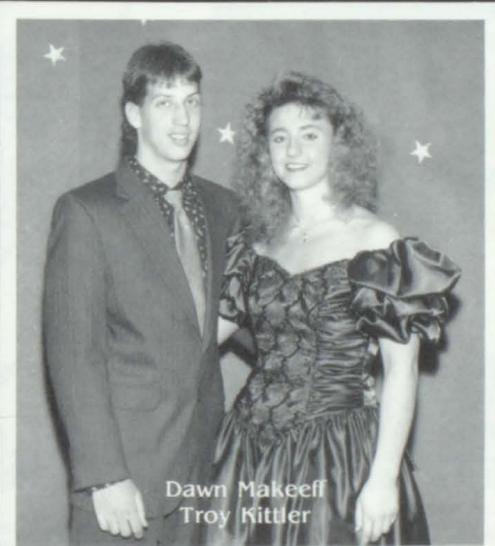

Snow Week seems like a strange name for this event at TLM because whether or not it takes place in February or March there is never any snow!

Six candidates from each class were nominated by the student body to vie for the title of snow prince and princess. The coronation took place at half-time of a B-Squad basketball game and a dance was held after the game. Dress-up day activities also highlighted the week's activities.

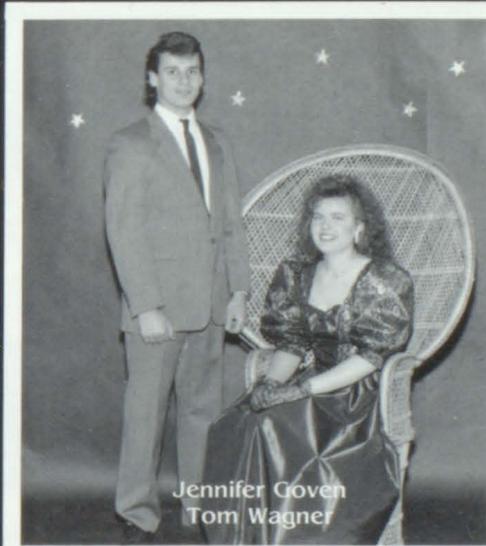

ROYALTY. Standing: Kelly Hetzler, Nikki Maxwell, Troy Kittler, Dawn Makeeff, Kara Sellon, and Alan Lelm. Seated: Paul Schlafmann, Krystal Boe, H.C. Anderson, Tina Schatz, Jennifer Goven, and Tom Wagner.

On May 10, 1991, they took what they learned and spent a day at KXMC-TV and The Minot Daily News. The students got a good view of television news and the making of commercials and then heard about the steps in putting together a daily paper.

# Trojan Honors Banquet

May 3, 1991  
6:30 PM

It was a horrible day! It was May 3, yes May, and it was a snowstorm! The banquet speaker was coming from Fargo and no one knew for sure if there would even be a speaker. That's right, worrying about blizzards, in May!

By afternoon the snow had let up, but the roads were still treacherous. By 6:35 PM the banquet was ready and we were still waiting for the speaker!

All went well, the speaker arrived safely and with a good message for the audience, the food was great, and the awards were the best part!

# VEDRAN PIPINIC

Vedran Pipinic was TLM's 1990-91 foreign exchange student. He hails from Zagreb, Yugoslavia and is the son of Daniel and Vania Pipinic. While staying in Turtle Lake the Allen Hetzler's were his host family.

Vedran arrived in New York City, Minneapolis, Bismarck, and then Turtle Lake on August 19, 1990. When he first arrived he couldn't wait to get back, but he wanted to make the best of it and he has.

At TLM Vedran participated in basketball, track and had his debut with the Trojannutts! He also traveled with the football team.

He graduated with the class of '91 and upon graduation he completed his high school education. He has made the best of his stay as he is looking into attending the University of Mary and majoring in business.
