The School Board recognizes the value of public comments on school and educational matters. Below are key points to remember when making public comment to the Board. The Policy, BEDH, Public Participation at Board Meetings, can be located on our District website.

-Public comment shall not exceed 30 minutes. Comments are limited to up to 3 minutes per individual. -The Board will hear public comments from residents of the school unit first. If there is time remaining in the public comment period once all residents have had the opportunity to speak, the Board will permit comments from non-residents.

-Individuals who wish to speak are required to fill out the sign-in form available at each Board meeting.

-Each individual will be required to state their name and address before beginning their remarks.

-Speakers are expected to follow rules of common etiquette, including refraining from using vulgar and/or abusive language, yelling, arguing, or making defamatory comments.

-Comments or complaints concerning individuals employed by the school unit or students will not be allowed at public meetings due to confidentiality and privacy concerns.

-The Public Comment portion of the Agenda is not a public debate, conversation, or question and answer period. Comments should be directed to the Board. The Board reserves the right to manage accordingly.
