Please Welcome

SARAH ENGSTROM-YDE

Unity School District Elementary Principal

Dear Unity Families,

It is with great excitement and a humble heart that I write to you as the incoming Elementary Principal of Unity School District. From my very first visit to the campus, I could feel the warmth of this community. It is clear that Unity is a place where every child is seen, heard, and valued, and I am honored to join a team so dedicated to the individual needs of every child.

I come to this role with over twenty years of experience in education, serving students from PK through 12th grade. My background includes teaching Social Studies and Gifted & Talented programs, as well as leadership in virtual and traditional school settings. Most recently, I have been serving as the Interim Elementary Principal at Hudson School District. I am also a proud graduate of UW-Superior, where I recently completed my MSE in Educational Administration with a focus on school leadership, special education, and instruction.

Above all else, I am a firm believer that a child's success is built on a strong partnership between home and school. I am committed to fostering an environment where your children feel safe, challenged, and inspired every single day. I am also looking forward to spending time with Principal DeWitt as we partner together to ensure a smooth and supportive transition for our students, staff, and families.

On a personal note, I believe in staying active and grounded. When I'm not at school, you might find me out for a run with my dog (Daisy), or tending to my garden with my husband (Marty). I also understand the journey of parenthood firsthand—I am the proud mom of a freshman at UW-Madison (Benny), so I know exactly how fast these school years fly by and how important every milestone is.

I look forward to meeting you at summer events and seeing your children's smiling faces in the halls of Unity Elementary this fall. It is a privilege to join the Eagle family and to work together toward our vision of being the leading school district in Wisconsin.

Warmly,

Sarah Engstrom-Yde
Incoming Elementary School Principal
Unity School District

"EXPECT GREAT THINGS"
