QUEST QUICK BITES

November 2026

Trying new foods at school is cool!

We held successful food committees' meetings with students at across D83 last month. The students were able to taste one new option for breakfast (French Toast Bites with a side of maple syrup) and they tasted one new option for lunch (Greek Chicken Gyro Sandwich with homemade Tzatziki sauce). The students loved both new options, so we added them to our menu!

Check out this month's menu at www.myschoolquest.com
