**WEST POINT 2018**

The background of the entire page is a stylized, high-contrast illustration in shades of orange, red, and black. It features a central figure of a Native American warrior with a feathered headdress, surrounded by flames, a skull, and other tribal motifs. The text is overlaid on the right side of this artwork.

# Wesley's Warriors

Mr. Wesley Laney and several student helpers have worked very hard to improve different areas around the school campus. This year, they built a coffee shop in the library and worked hard to improve the football and baseball facilities. Wesley's Warriors included Dalton Boyd, Zack Guillot, Cameron Haynes, Heath King, Austin Lee, Spencer Lucas, Riley Monroe, Nick Overton, Jonathan Pace, Drake Phillips, & Devon Riggs.

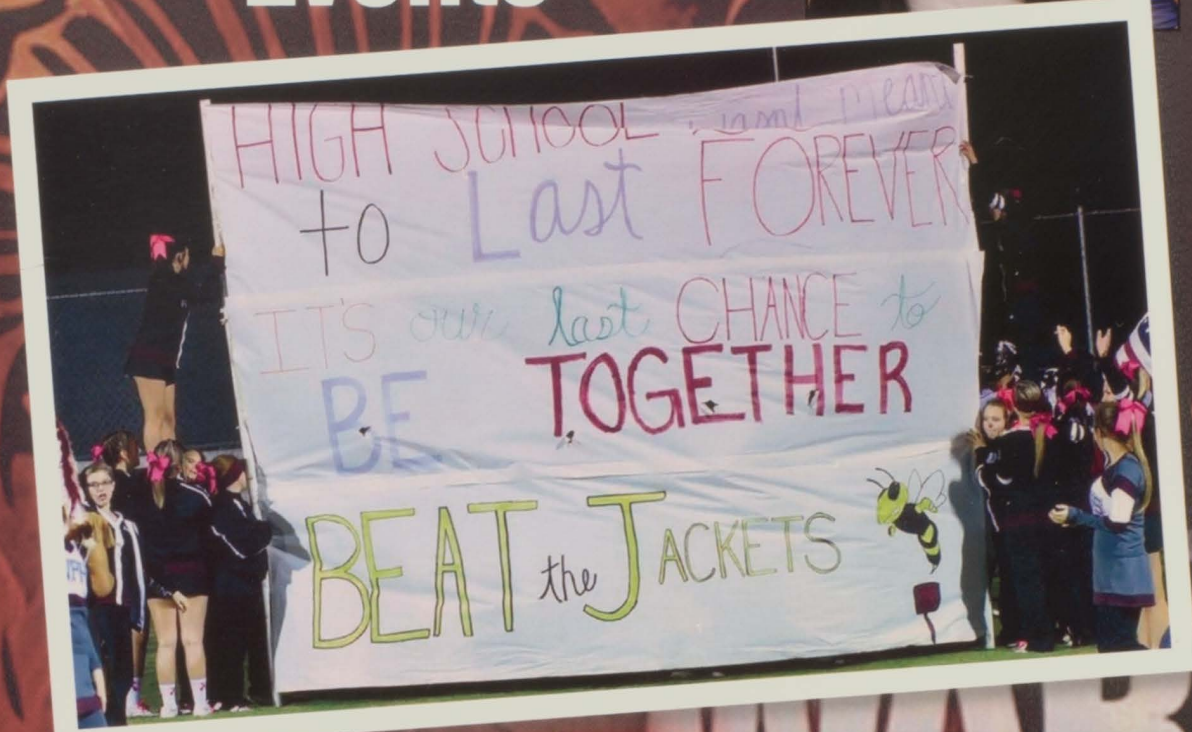

The library would like to extend a special thank you to Mr. Wesley and all the guys who helped to make our very own coffee shop, Tribal Brew!

Alma Mater  
Hear us pledge our loyalty  
To thy name our hearts atune.  
In our memory we will keep  
thy truths forever  
Faithful to the white and maroon!  
West Point High,  
thy spirit ever guide us  
To great heights along life's trail  
For our school,  
Comrades, joyful praises sing  
To ole West Point,  
All hail!!!
