This year it is with a great deal of pride that we dedicate the 1968 Warrior to a group which represents our newest addition to our curriculum. We feel that this organization will kindle musical spirit among many of our students, and will contribute tremendously toward all of our

CATION

school activities. We are truly proud of the progress that this group has made this year and we know that this has been possible only through the efforts of a determined group of students and a dedicated leader; therefore, we proudly dedicate the 1968 Warrior to our BAND.

SNAPS FROM THESPIAN ONE-ACT PLAYS

At least I smile when
I fail you.

Coming on strong!

They're coming to take him away,
... or is it me?

Well, at least there's always one
who studies!

Crime doesn't pay!

Check it out yourself,
we're busy!

AUTOGRAPHS

Take what the people who eat for a living take.

Now Joel, didn't I tell you
not to give any one-act plays?

Is this shorthand or charm school?

Listen Pat, if you'll tell
her it's your lunch money,
I will!

We're having an assembly, during
my English period.

Democracy: Freedom to do as
you please, even in class.

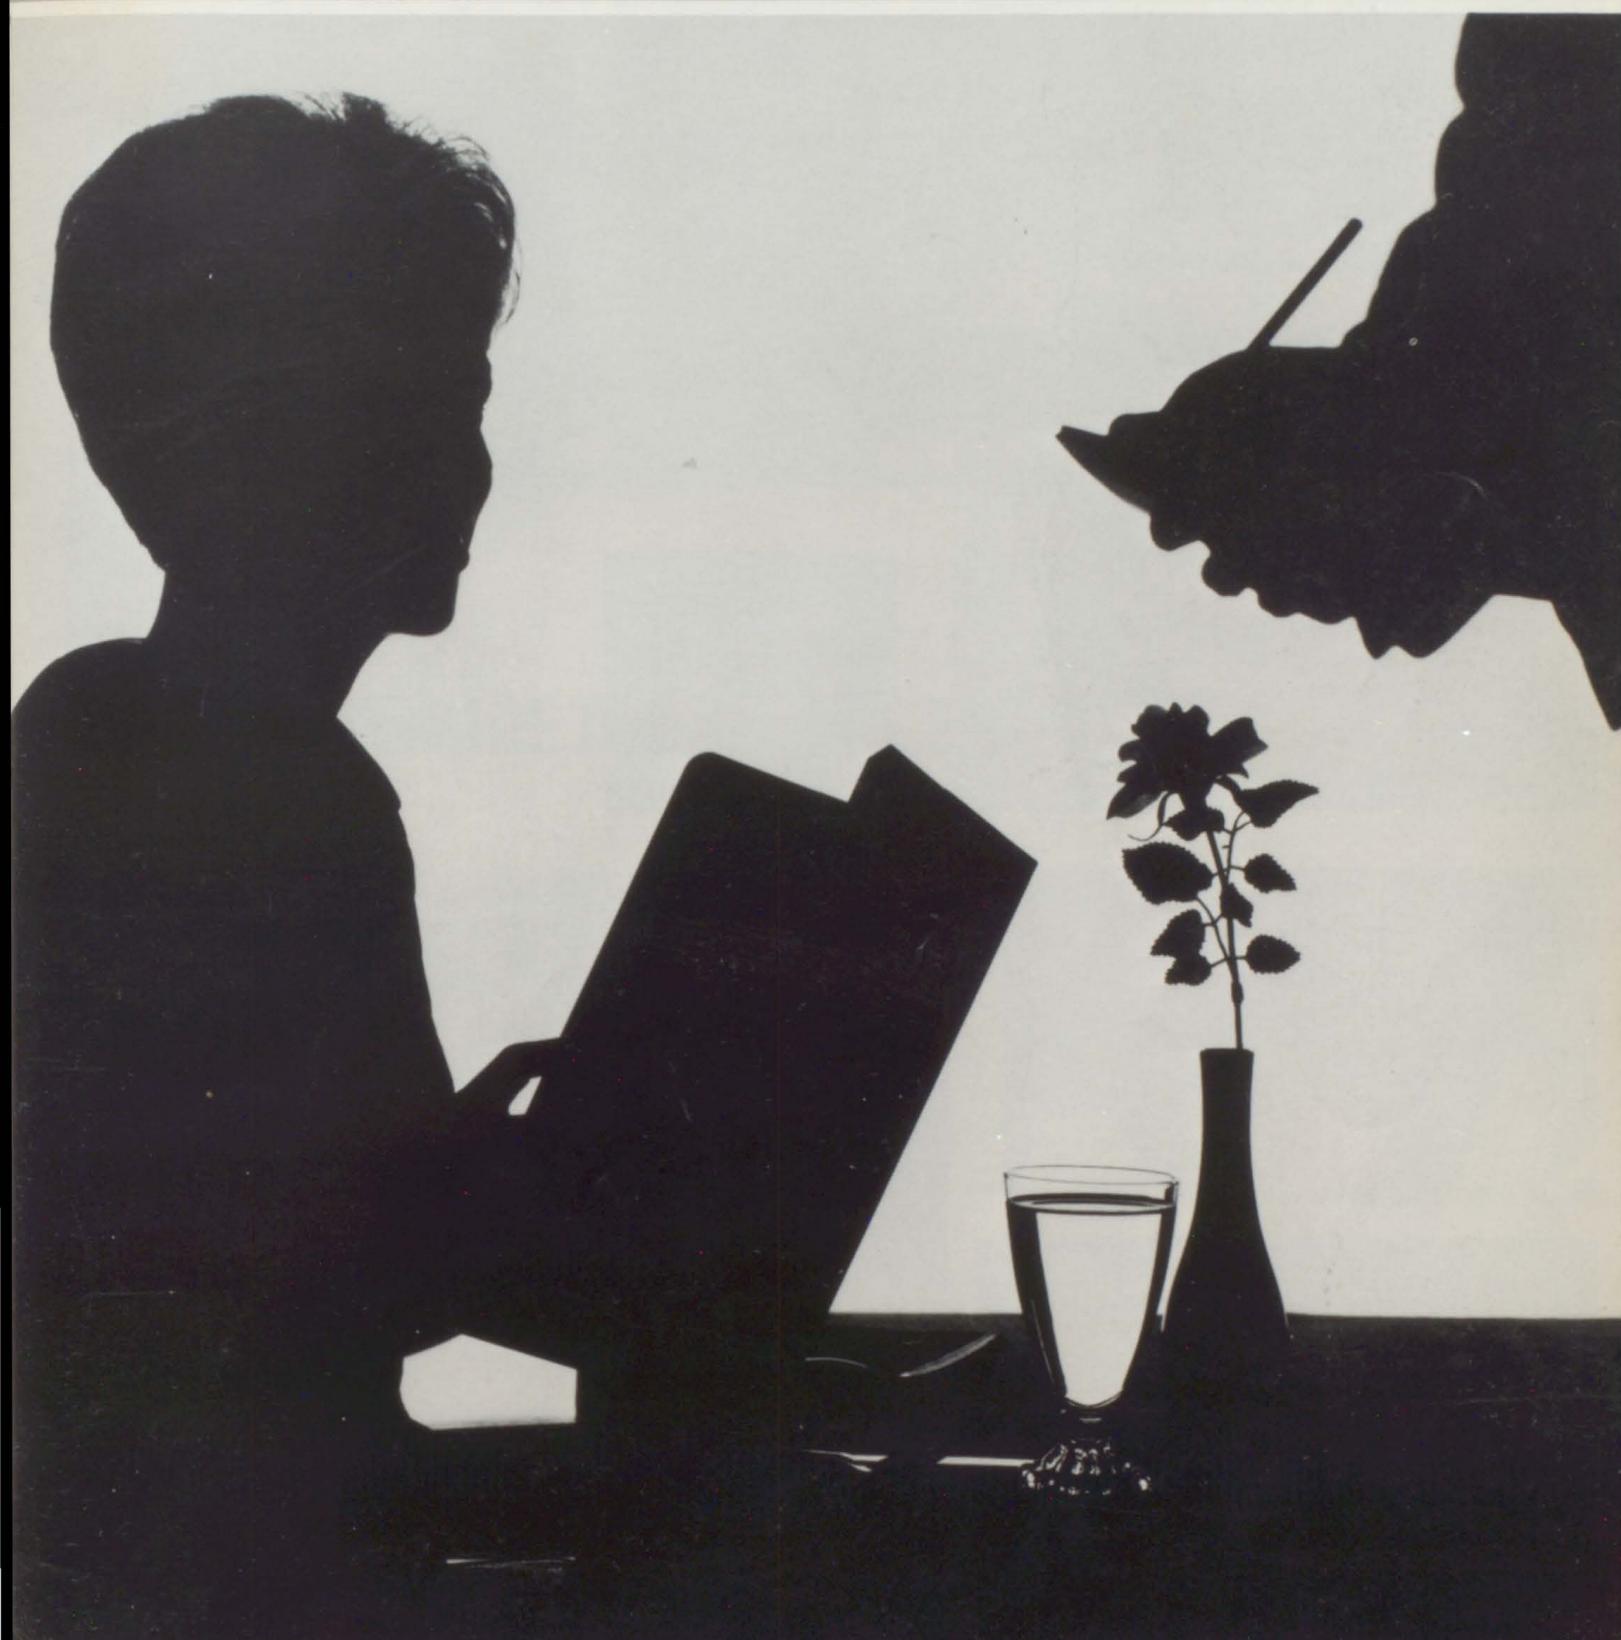

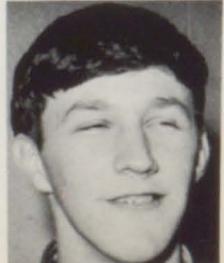

No . . . No . . . NO!
. . . first you turn on the key

Mother told me
there'd be days
like this . . .
