AMS School Fees 2026-27

All students are assessed the following yearly charges:

***School Fees:**

$35.00 Student Body Fee: This fee covers expenses for students to receive a student planner, a student body card, awards, social functions, special assembly programs, athletics, after-school clubs and co-curricular programs, student technology equipment, PBIS incentives, student handbooks, honor roll certificates, and more.

$20.00 Cultural Arts Fee: This fee helps cover the expenses for supplies needed in classes such as band, orchestra, art, video production, drama, health, and more.

**All students are welcome to register for classes regardless of their ability to pay the fees.*

Additional fees/fines that may apply during the year:

Other charges may be assessed for replacement of lost or damaged textbooks, library books and fines, student body card replacement, change of lock for lockers, copy charges, fieldtrips, instrument repairs, lost or damaged uniforms, etc.

Optional:

$25.00 Yearbook: The yearbook is optional and must be purchased in advance to ensure a book at the end of the year. The deadline to order a yearbook is January 29, 2027. ***All assessed fines must be paid in full for the student to receive their yearbook at the end of the year.***

_____ $30.00 6th Grade Experiential Learning Fee (see back side for explanation)

$_____ Total enclosed is either a partial or total payment as indicated above and paying by the enclosed check or please charge to the appropriate card as indicated above.

Experiential Learning in 6th Grade

In 6th grade at AMS, we value opportunities that give students experiences outside of the classroom. A significant portion of the 6th grade science curriculum at AMS includes the Residential Outdoor School experience where students learn about ecology and the environment while on a multi-day and night adventure. The cost of this residential camp experience is covered by the state's "Outdoor School for All" funds. Additionally, we have several other experiences planned for our students that foster team-building so that the 6th grade class can bond as a cohesive unit as we blend the different elementary schools together.

Experiences planned for the school year include:

- Four days and three nights of ROS (Residential Outdoor School – includes food, lodging and instruction, and will take place Camp Myrtlewood. We need volunteers to make this incredibly memorable experience happen. If you are able to volunteer, please be sure to get you complete the district volunteer application online as quickly as possible.
    - Siskiyous Team Dates: October 5-8
    - Cascades Team Dates: October 13-16
- Team-building "fun" field trips
- Hands-on science labs to learn about electricity, waves, engineering and design, and science inquiry
- Interactive Student Notebook for creative science and social studies notes

We are requesting that each family contribute $30.00 toward the cost of consumable supplies and these programs. We realize that paying the full amount at the beginning of the school year might be a burden for some families, so we offer a payment option. It is our policy that no student will be left behind because of financial need, so scholarships are available. In addition, payments can be made throughout the school year if back-to-school costs in August exceed your family's budget. If you are willing and able, we would welcome donations to help offset the cost of scholarships.

____ I am enclosing the $30.00 full payment.

____ I would prefer to make payments of $3-$5 per month throughout the year.

____I am also enclosing a donation of $_____to help with the scholarship fund.
