Hello Upper School Families!
I hope you are having lots of fun during your first week of summer!
The Upper School Team wanted me to reach out early to all families of 6th, 7th and 8th graders with an update on their new supply plan.

We are asking ALL upper school students to bring individual supplies this year. Please make sure your child has the following items
for the school year. They will be bringing their own supplies to class each day. The list below should last your child the entire year:

- Pencil pouch
- 24 pencils or mechanical and lead
- 2 pink erasers
- Set of 24 colored pencils
- White out
- College ruled composition book (8.5" x 11")
- Graph paper composition book
- General 3 ring binder 1.5-2"
- Spiral bound college ruled notebook (100-150 pages)
- 8th grade only- TI-34 multi-view calculator (or any scientific calculator)
- Adult sized scissors optional

Please also plan to bring 2 reams of printer paper for general use. These can be delivered to the office.

We will send a reminder as summer is coming to an end - Enjoy your break!
Debbie
