Discussion/Action Items

1. Emily Spindler with FGM Architects presented to the board layouts of the new proposed Athletic Complex from both Byrne and Jones Sports Construction and ATG-Ram Industries. The board would like more options from ATG-Ram Industries, such as changing the location of the football field, grass versus turf, making sure JROTC and Wrestling can utilize the facilities. The board would like FGM Architects to work with ATG-Ram Industries and have options at the next board meeting. The board would also like options of different sizes and layouts of the Athletic Building which will house the restrooms, concession stand, locker rooms, meeting rooms and storm shelter.

The meeting adjourned at 6:24 p.m.
