❤ Sharing the Love at MCESA

❤ Cindy Weaver ~Nominated by Jennie Coston

Thank you for helping me get more organized by scanning documents for my Google Drive. It has helped reduce clutter in the office since I no longer need all the paper copies. Your willingness to help made a big difference. Thanks, Cindy!

❤ Stefanie Shook ~Nominated by Michele Peregord

During a recent snowstorm, Stefanie went above and beyond to help a colleague who had previously fractured her leg and was nervous about walking on icy surfaces. Stefanie took the time to start her coworker's car, clear the snow off it, and offered to drive it to the entrance so she didn't have to cross the slippery parking lot. It's caring acts like this that make our team so strong.

❤ Lori Bower

Lori demonstrated incredible flexibility and professionalism during a recent classroom staff shortage. She remained calm, adaptable, and focused on supporting students. Her willingness to step in wherever needed does not go unnoticed.
