### NOTES

*Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person among the district's many leaders.*

*Public participation is an opportunity to present brief comments or questions to the board for consideration or follow-up. Each person is asked to focus comments to five minutes and sign in on the sheet on the podium.*

*The consent agenda is based around "need for action" decisions which are highly routine or backed by prior information and discussion.*

*If you are interested in helping the district's efforts, please speak with any member of the district or call the district office at 675-2207. Opportunities abound and your participation is highly desired.*
