NOTES

Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person among the district's many leaders.

Public participation is an opportunity to present brief comments or questions to the board for consideration or follow-up. Each person is asked to focus comments to five minutes and sign in on the sheet on the podium.

The consent agenda is based around "need for action" decisions which are highly routine or backed by prior information and discussion.

If you are interested in helping the district's efforts, please speak with any member of the district or call the district office at 675-2207. Opportunities abound and your participation is highly desired.

7. REQUESTS TO ADDRESS THE BOARD none on signup, however Brad Casto stated he attended County Assembly and noticed there was zero youth there and would like the district to find a way to encourage kids to go to Town meetings, school board meetings, commissioners etc-either thru extra credit in government class or other incentives- so when they become adults they have some grasp on how government works, especially at the town level.

8. REPORTS FROM THE SUPERINTENDENT, ADMINISTRATORS, AND COMMITTEES

8.1 BOCES - BOCES Board Member - meeting scheduled next month in Rangely. No applications yet for their psychologist position-it was suggested that they reach out to Kyle Wren at Rangely District Hospital to see if they'd be interested in collaborating.

Reports a potential delay with the company the does the Controlls for HVAC, the original company has backed out so that pushes project timelines back as Performance Services is struggling getting companies/workers to come to remote Rangely. Additionally, because of Rangely's remote location, there have been zero bids for landscaping work. Mr Scoggins reports upcoming meeting Thursday March 26th to get more information and will provide details with the board members as soon as he knows more.
