2026 NON-HOMESTEAD OPERATING MILLAGE RENEWAL

Q&A

QUESTION

Is it true that primary residence homesteads are exempt?

ANSWER

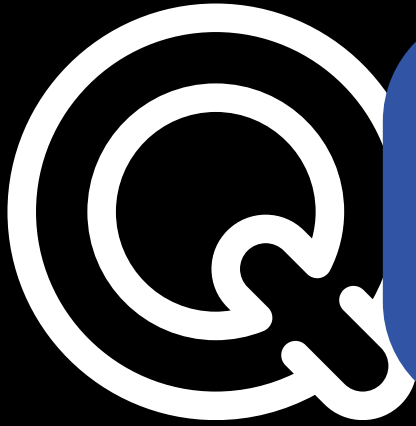

Yes! By law, primary residence homesteads are exempt from this operating millage. The 2026 Non-Homestead Operating Millage applies to non-homestead properties: commercial, rental, vacation homes - not your primary residence.

2026 NON-HOMESTEAD OPERATING MILLAGE RENEWAL

Q&A

QUESTION

What is the increase?

ANSWER

Plainwell Community Schools currently collects 3 million per year from its operating millage to fund general school operations. This is not a new tax - this is a renewal of the existing millage to support school operations.

2026 NON-HOMESTEAD OPERATING MILLAGE RENEWAL

Q&A

QUESTION

Why does it matter?

ANSWER

If the renewal fails, the district would lose approximately 3 million annually - forcing cuts to staff, programs, materials, and essential services. This funding powers everyday operations - teachers, curriculum, transportation, special education, extracurriculars - not brick-and-mortar projects.
