

Dear Lakeview High School Community,

We are excited to announce that the Lakeview High School Athletic Department has partnered with FinalForms, an online forms and data management service.

FinalForms allows parents and guardians to complete and sign athletic participation forms for their student-athletes online. One of the most helpful features of FinalForms is that it saves information from season to season and year to year, meaning you will not need to enter the same information more than once. FinalForms also pre-populates information whenever possible for each of your students, saving you time.

You may review your information at any time to ensure it is current. Families will be required to sign forms once per year and after any updates are made.

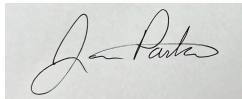

To get started, please click on the [Parent Playbook](#) in FinalForms. If you need assistance during the process, scroll to the bottom of the page and click "Get Help."

We are asking the parents and guardians of all students who plan to participate in athletics to create a FinalForms account and register their student-athletes.

Please register at: <https://rsdtwenty-ct.finalforms.com/> and follow the prompts to create your account, add your student-athlete, and sign the required forms.

Thank you for your cooperation as we work to streamline the athletic registration process at Lakeview High School.

Sincerely,
