

## FREE FOOD FOR YOUR CHILD THROUGH THE AVON BACKPACK PROGRAM

The Avon Backpack Program works with school staff to provide a free supply of meals and snacks to students who may need an additional food resource over weekends during the school year. The food is given to the children before they leave school each Friday or in case of holiday, the last day before the break. This service is provided as discreetly as possible and at no charge. If you believe that your child would benefit from this assistance, please register her/him on this form or by contacting the Avon School District Office.

You may register your child for the Avon Backpack Program anytime during the school year. **Students in grades K-12 qualify for this program.** Please complete the consent form below and return it to your child's school office. If you have more than one child in school, you only have to submit one form. This information will be kept confidential. Once the school receives your consent form, your child's name will be added to the list of students registered for the Backpack Program. She/he will soon begin to receive a supply of kid-friendly food at the end of each school week.

**If you haven't already registered, please consider letting this terrific program help your family. Questions? Contact your child's school.**

*(Note: This program is not associated with the free/reduced-cost lunch program operated through the Avon School District. It is supported solely through volunteers and donations.)*
