RED LODGE, MT 59068

Dear Students, Parents, and Guardians,

On behalf of the entire staff at Red Lodge High School, I would like to welcome you to the 2026-2027 school year! We hope you have enjoyed a wonderful summer filled with family, friends, adventure, and opportunities to recharge. As the school year approaches, we are excited to once again fill our hallways and classrooms with the energy and enthusiasm of our students.

The first day of school for all students is *Wednesday, August 26, 2026.* We are especially excited to welcome our incoming freshmen and all new students to the Red Lodge High School family. Freshman and new student orientation will be held on *Tuesday, August 25*, and will provide students with an opportunity to walk through their schedules, become familiar with the building, learn about expectations, and start building connections before the school year begins.

We are also pleased to welcome several outstanding new staff members to Red Lodge High School:

- Clayton Gallus – Physical Education
- Danielle Sullivan – Social Studies
- Beau Watkins – Mathematics
- Christi Kohley – Special Education
- Justin Johnson – Music Education

These educators bring a wealth of experience, passion, and dedication to our school community, and we are excited for the positive impact they will have on our students.

We invite all students and families to attend our Open House on *Monday, August 24.* This is a great opportunity to meet teachers, locate classrooms, reconnect with friends, and prepare for a successful start to the school year. We look forward to seeing many of you there as we kick off another exciting year together.

As we prepare for the opening of school, we ask all parents and guardians to complete and sign the required digital forms in Infinite Campus. These forms are essential and help ensure that students have full access to academic programs, activities, athletics, field trips, and other opportunities available at Red Lodge High School. Completing these forms before the first day of school helps us provide the best possible experience for every student.

At Red Lodge High School, we remain committed to providing an exceptional educational experience while fostering a culture of respect, responsibility, and excellence. Our students continue to achieve great things both inside and outside the classroom, and we are proud to partner with families in supporting their growth and success.

As we begin this new school year, we encourage every student to get involved, challenge themselves academically, build positive relationships, and make the most of every opportunity. Together, we will continue to make Red Lodge High School a place where students are known, valued, and inspired to reach their full potential.

Thank you for your continued support of Red Lodge High School. We look forward to seeing everyone soon!

Go Rams!

Sincerely,

Dana Quenzer
Principal
Red Lodge High School
