

Meet Our New Members!

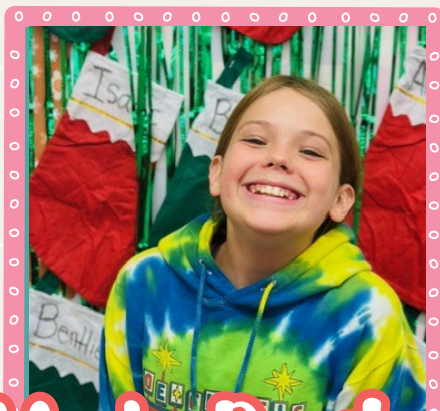

As the fourth and final quarter of sixth grade begins, we're adding two final members to sixth grade leadership. The other members are so excited to welcome Bella Thomas and Hunter Cunningham into the group!

Bella Thomas is rejoining Riddle Elementary this year after taking a brief break to attend school in Bandon. She is passionate about her horses and will be entering her first competition later this month. In addition to her horses, Bella was also a member of the JH volleyball team this year! Welcome Bella!

Hunter Cunningham is another new addition to RES this year. After years in the South Umpqua School District, Hunter finally made the switch this year! Hunter is an excellent athlete. His favorite sport is basketball, and he was a key part of the JH Boys' B Team this past season!

We look forward to finishing the year strong with our new members!

Athlete of the Week

Marlee Bracken

By Braxton

This week Marlee Bracken is the athlete of the week! Marlee is a sixth grader. Her favorite sport is cheerleading. She has gotten to travel a lot for cheerleading. She has been to Florida and Las Vegas for cheer competitions and got second place at her most recent competition.

Score Report

This week, the 14u and 12u softball teams both won their games at Gaddis Park in Roseburg. On Monday night, the Mariners' 6th-grade boys team also won their home game.

This past Friday, HS Baseball and Softball both travelled to Bonanza for a doubleheader. All four games ended in Irish wins!

JH has their district track meet this Saturday at Camas Valley.

By Jordan

STAFF SPOTLIGHT: Meet Mrs. Debs

The staff of the week is Mrs. Debs. She has 3 kids, an 8-year-old, 13-year-old and a 5-year-old. She went to North Dakota State University. She has been married for 13 years. Her hobbies are video games, cooking, and reading. She has a dog named Stark. She did cheer and roller derby. If she had to teach a different grade, it would be science in middle school. She loves Halloween and likes capybaras.

DID YOU KNOW...

WITH EMERSYN

THE UNIVERSE'S AVERAGE COLOR IS CALLED 'COSMIC LATTE'?

In a 2002 study, astronomers found that the light coming from galaxies averaged into a beige colour that's close to white.

WHAT'S HAPPENING?

 05/13 6th Grade Transition Day
 05/13 Softball @ UVC

CREATIVE CORNER

This week in Miss Megan and Mrs. Debs class, we have been doing 3d animal art where you draw the body, and then you take a piece out of egg cartons, and that is the head. We made a lot of different animals, from farm animals to jungle animals to household animals like cats. Stop by Rm 14 to see them!
