

The 2026 Volleyball and Football Season is here!

Road trips for the away games can make a long day. Snack bags for the players, coaches, managers, bookkeepers, and bus drivers provides a little something to get them through. These snack bags are only possible through the donation of snacks or monetarily.

Please let me know if you are interested in packing snack bags for any of the following away games. If you prefer to provide for only one of the teams, that is fine, I can separate out the number of bags needed. You can bring the snack bags to the game, send them with your child, or I can arrange to get them from you to take to the game. If preparing snack bags does not work for you, but you would like to help out, you can donate food items or send money. Snack bag ideas: apple sauce, fruit, beef jerky, sandwich, chips, granola bars, fruit snacks, cookies, mini candy bars, crackers, trail mix, Gatorade, water, etc. Whatever you want to do, they will appreciate!

Thank you,
