Algona Middle School and High School Pick-up/Drop Off Procedures

Below are the pick-up/drop-off procedures at the Middle School and High School for the 2026-2027 school year. These are the same procedures as in previous years. These procedures create a <u>safer environment</u> for our students and eliminate congestion in front of the Middle School entrance.

- All students dropped off or picked up at the Middle School or High School will be dropped off or picked up along Sample Street. A lane to pull into heading North on the East Side of the road will allow for a safe drop-off for students. Students can enter the building by the Performing Arts Center or simply walk down the sidewalk to enter the Middle School.
- There is also an additional drop-off location in the gravel parking lot, and students can cross Sample Street at the designated painted crosswalks.
- The Xs on the map indicate where pick-up and drop-off travel will no longer take place. Buses will travel through the Xs; regular traffic is not encouraged.
- The green arrows (where the buses used to park) show where families can pick up or drop off students. Students may then walk on the sidewalk to the Middle school or enter the building through the entrance by the Performing Arts Center.
  ***<u>This is for pick-up and drop-off at school, not for activities or events.</u>**
