Student Assistance Program (SAP)	Safe2Say Something
The Student Assistance Program (SAP) is a team process designed to assist in identifying and helping students overcome issues that pose a barrier to learning and success in school. These obstacles may include, but are not limited to, academics, attendance, alcohol, tobacco, other drugs, mental health, and other wellness issues. SAP connects students, families, school personnel, and area agency liaisons to develop and implement a plan for addressing those obstacles The first phase of the SAP process is a referral, which may be made by school staff, students, family members or community members. Referrals may be made online by clicking on the link below. To make a SAP referral use this form: SAP Referral Form	Safe2Say Something is a partnership between the Pennsylvania Office of the Attorney General and all Pennsylvania school districts. This anonymous helpline provides an additional way for students, teachers and members of the public to report behavior that may endanger the school or people in it. The Safe2Say Something website describes the helpline as an “easy and confidential” way “to report safety concerns to help prevent violence and tragedies”. Reports to Safe2Say may include, but are not limited to concerns about drugs/alcohol, self-harm, violence, threats, social media posts, weapons and/or bullying.
