# *Dreams for Tomorrow*

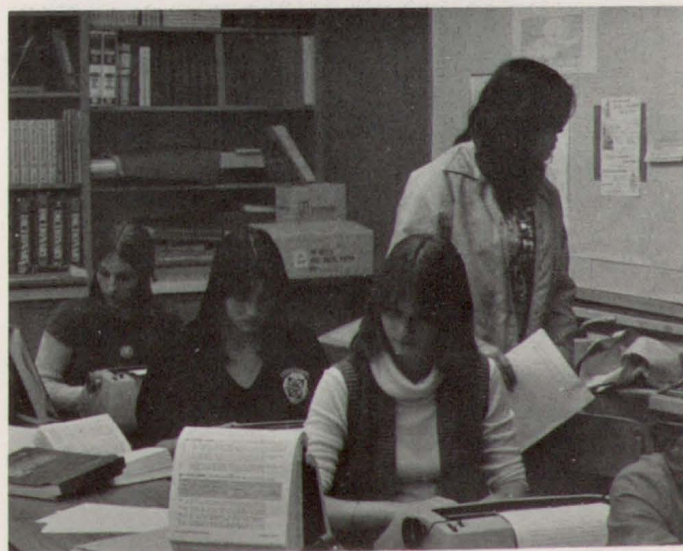

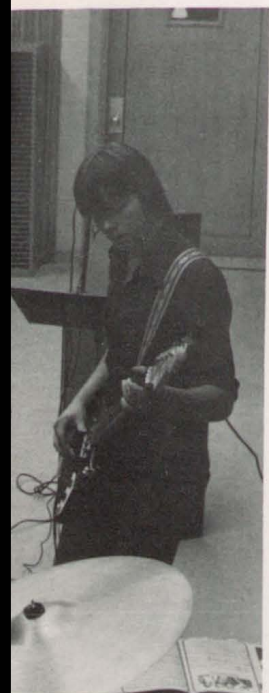

The year 1978-79 holds different meanings to many people. For some, this year was the beginning of an adventure in a new school and lifestyle. It was a time of apprehension and anticipation of what was to come.

For others, it was another year of excitement and activities; another year of renewing old friendships and making new ones, another year of dreaming of the future.

For those of the Senior Class, it was the year in which their thoughts and hopes were to come into existence. It was a year to learn that their thoughts of today can be the realities of tomorrow through their willingness to strive for their goals.

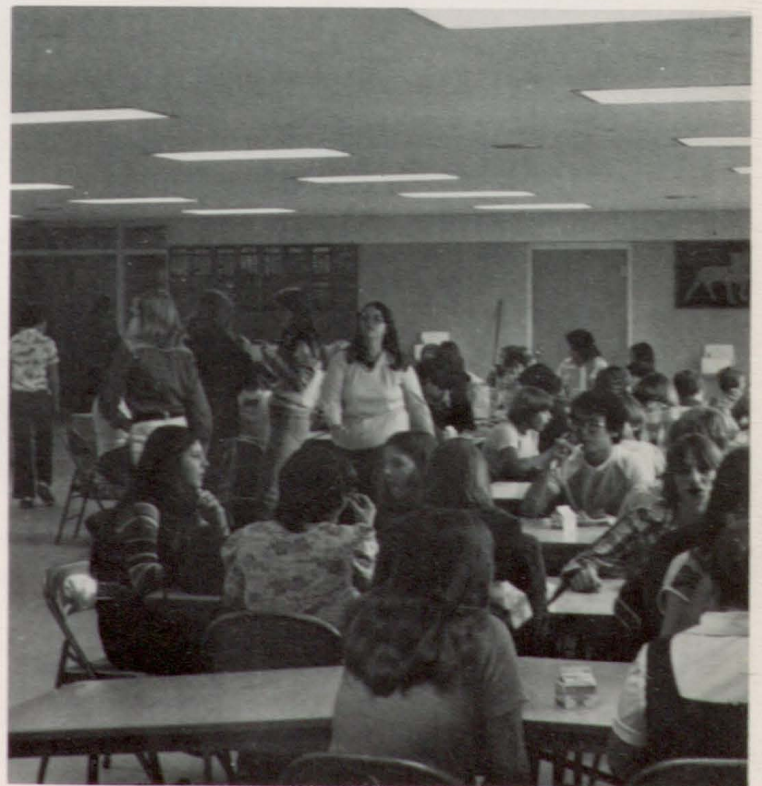

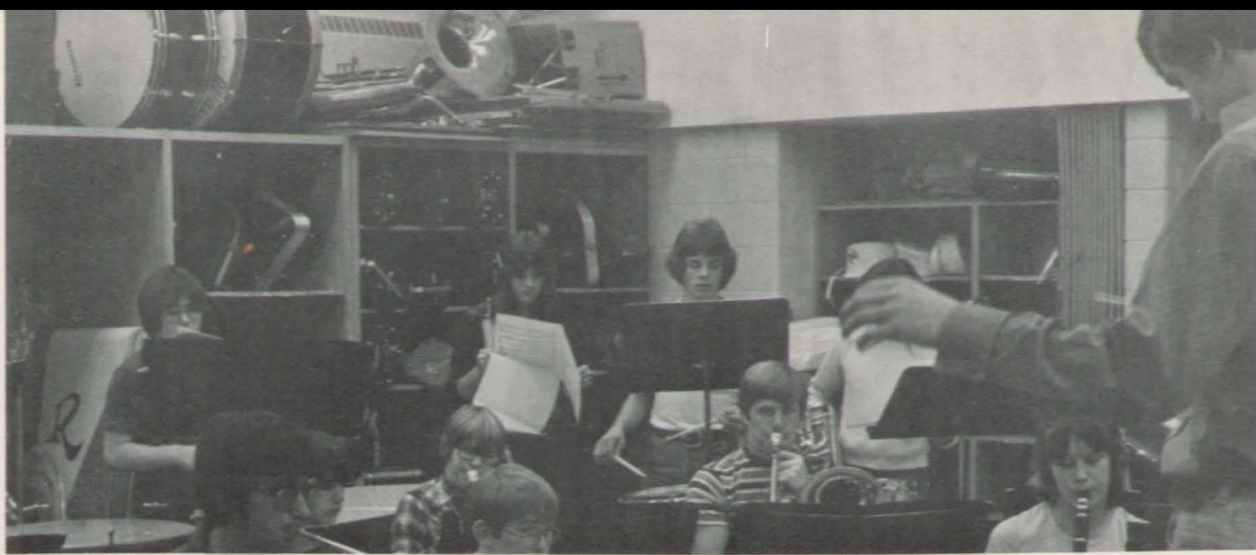

## Spare Time and Studies

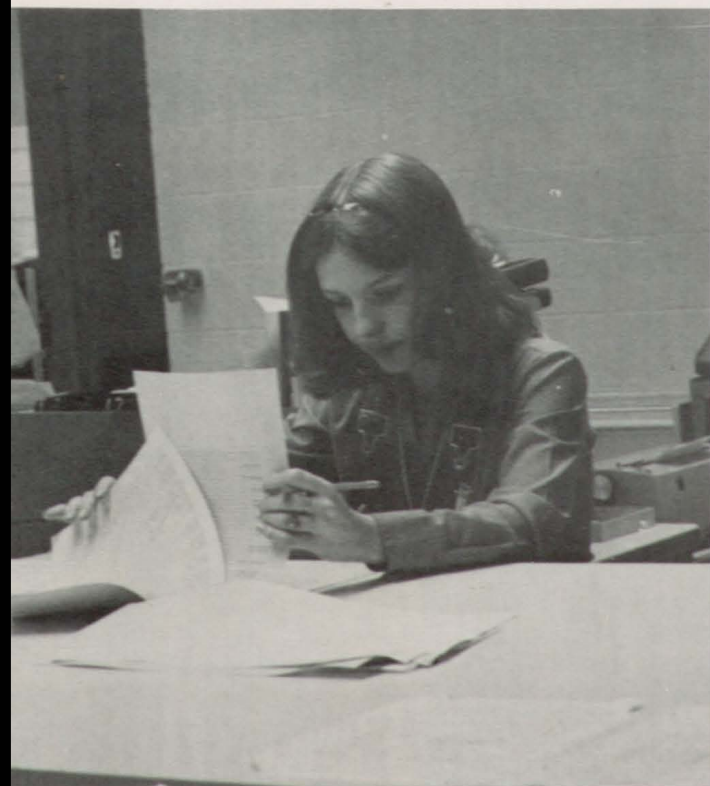

Far Top Left: Dave Carpenter and Richard Bradham play a challenging game of chess. Far Bottom Left: The Seventh grade science class searches for the answer in the text book. Top Left: The Junior English class studies for their up coming test. Bottom Left: Students move about the cafeteria discussing the days events. Top: Dave Wallis directs (!?) Middle: Keith Rippe shows his feeling of accomplishment, as he lifts the stack of weights. Middle Right: Joy Prignon wishes she was any where else but English class. Left: Chris Smith wonders how so many people could be absent at one time.

Spare time and study hall; a way to relax and spend your time most anyway you might want. This can mean weight lifting, reading a favorite magazine, or working in the office or library. Not to say that study hall is no longer for studying. Many students get a lot of studying done and profit from this time immensely.

## Our Spirit Comes From . . . .

Spirit week; a week of students dressed in selected outfits to show school spirit and team support. Monday started with University T-shirt Day. On Tuesday, students wore an outfit that displayed their favorite sport. Wednesday, the traditional 50's Day was held. The sock hop at noon hour was the highlight of the day. Thursday was something new and appropriate; Disco Day. Disco dancing was attempted by students in the gym during the noon hour. Friday ended spirit week with Color Day. Students wore orange and black to show the team and school that they were supportive.

A pep assembly to be remembered was held Friday afternoon, with participation by everyone; Pom Pons, Pep Band, Cheerleaders, students, and faculty.

"Movies" being the decided theme for Homecoming, caused some last minute worries as the classes attempted and finished their floats. The Juniors were awarded first place with the Sophomores falling in close behind. The Freshman class took third place and the Seniors didn't enter the competition this year.

From the beginning of spirit week, through the parade, till the kick off, students and fans were fired up for the big game. The team was awarded for their efforts when they dumped Mid Peninsula 20 to 12. The dance that evening, following the game, was filled with excitement from the victory and the accomplishment of everyone.

Homecoming Queen of 1977, Sandy Horton, crowned Patrice Barager, a junior, for the 1978 Homecoming Queen title. Pat's escort was Jim Spencer and her court included; Chris Smith, senior, Marcee Hosey, junior, Lisa Malaska, junior, and Michelle Benson, junior.

The R.H.S. Marching Band performed on the wet football field, marching through water puddles and in pouring rain. Also during halftime the Pom Pons did a routine to the song "Night Fever." Although it was rainy and cold, the fans stayed to cheer the Bulldogs on to a well fought victory.

# *Coming, Going, Do They Ever Rest?*

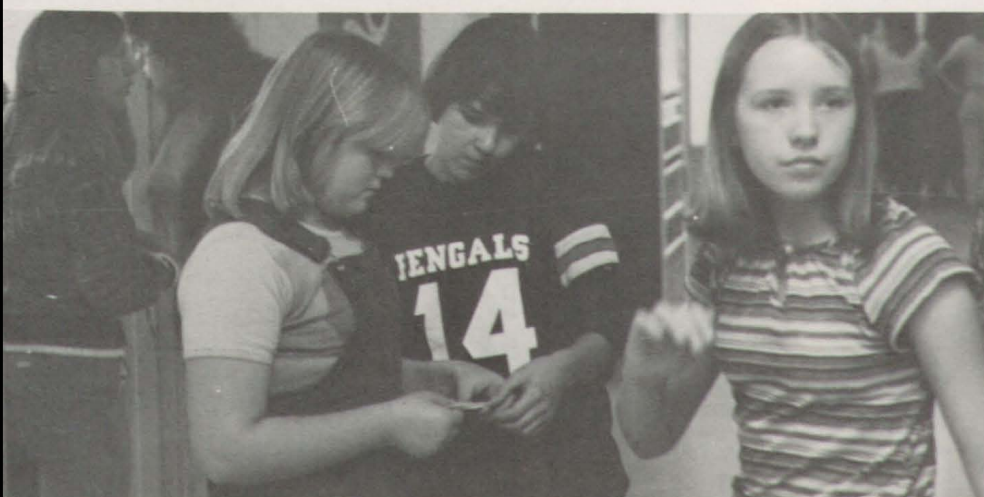

Our ingress into the world  
Was naked and bare;  
Our progress through the world  
Is trouble and care;  
Our egress from the world  
Will be nobody knows where;  
But if we do well here  
We shall do well there.

## *Moments in a Day at R.H.S.*

As the school year diminishes, many students begin to look forward to the coming months. Seniors are anxiously waiting for graduation day when they can finally say, "We made it!" and the Juniors are starting to think more of the decisions that lie ahead. The Sophomores and Freshman are wondering what lies in the future.

Life goes on; tests are given, friends are made, and the students keep studying knowing the time ahead will come before they realize it.

## *Bulldogs Pant to Successful Season*

Coached by Mr. Hamilton, the Cross-country team had a good season. Everyone on the team had improved their times significantly by the end of the season. Richard Postma had a very successful season and ended it by placing second in the U.P. Finals. Tom Radecki also had a good season and ran No. 2 man all year.

Two girls made the team, Joy Afman and Mary Radecki. They ran good times and even beat a couple of guys. Next year the girls will have their own team.

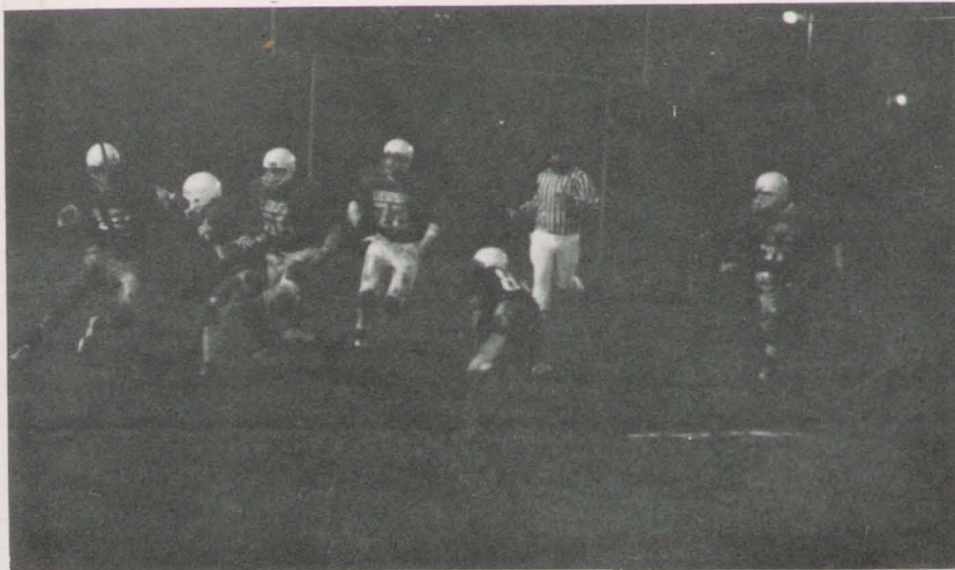

The guys will have all letterman back next year except Senior, Ken Randall.

## J.V. Bulldogs Gain Experience

The J.V. Football did quite well this year. The team lacked experience. It lost most of its Sophomores to the Varsity, leaving mostly Freshmen who played very well.

The East Jordon game gave them a lot of injuries and they lost a couple of guys at the beginning of practices also because of injuries. They were kind of low after the East Jordon game, but recovered rapidly, playing super at Pickford. This years team has learned much and will add much experience to next years team.

The Girls Varsity Basketball team had an extremely successful season this year. For a hard working coach, Eric Palo and a team of experienced girls, working together for several years, a successful season was deserved.

This girls team was the first one from RHS to have a better than .500 record, and to place second in the District Tournaments. Also two girls on the team, Patty Ordiway and Linda Rippel both had the honor of making all conference.

At the beginning of the season there were 11 girls on the team, but due to various reasons the number of players dropped to six. Even though this happened, the teams' spirit to win was always intact.

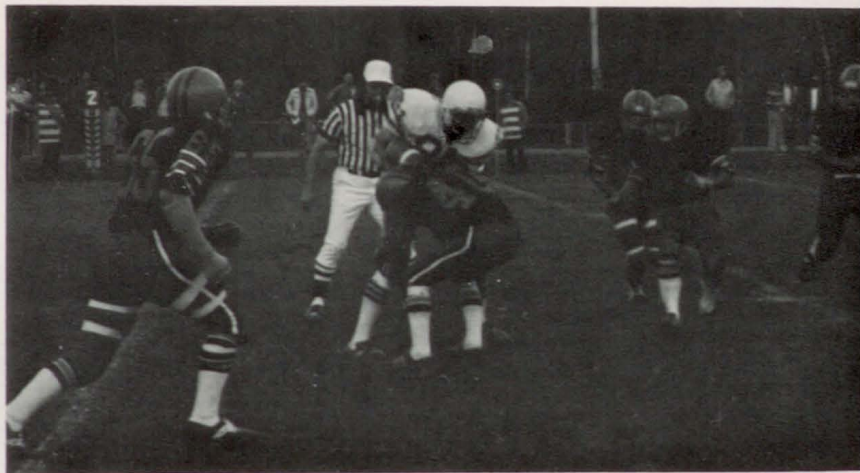

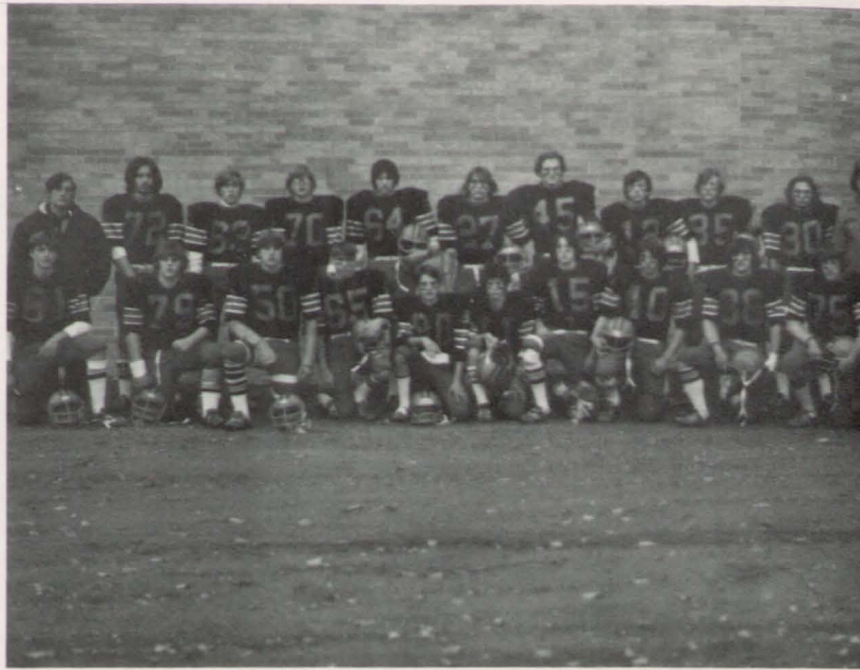

Next year the team hopes that they will again have a great season and that there will be a continued interest by more girls and the fans.

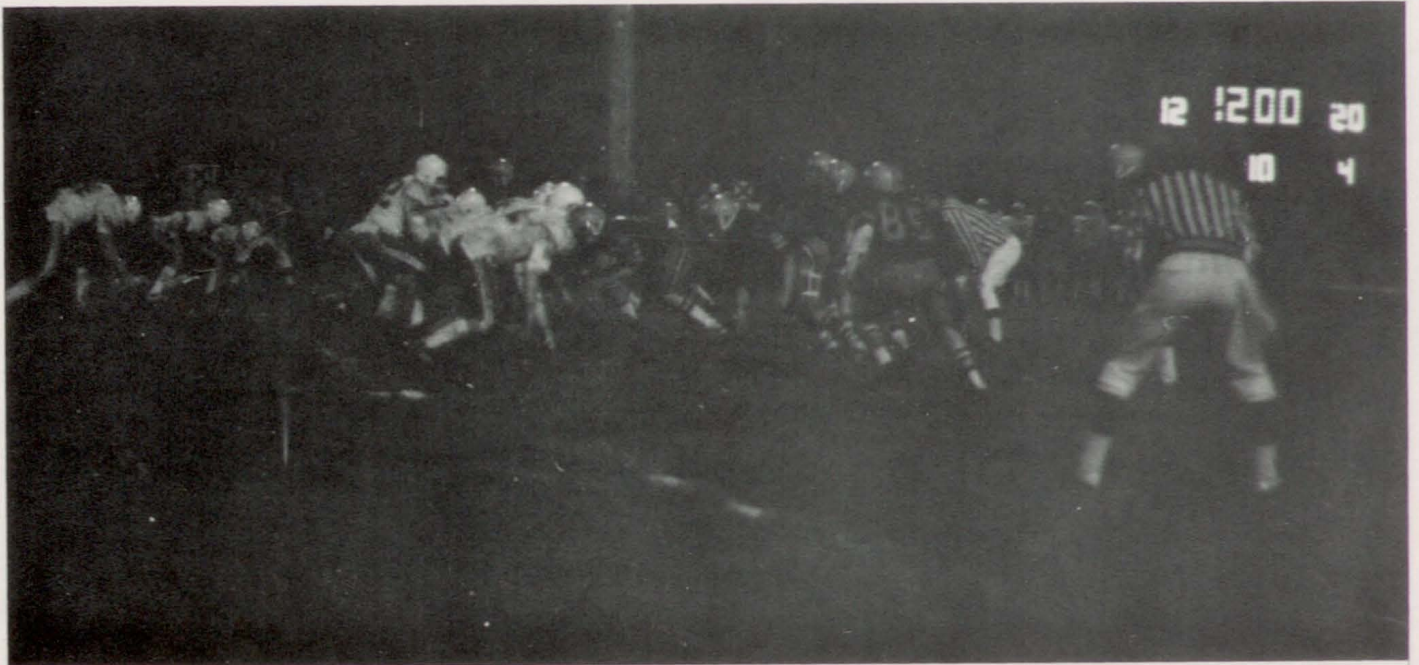

# Bulldogs: Football, You Bet!

This years Varsity Football Team had a rebuilding season, with only seven returning lettermen on the team. Inexperience was a big problem with Sophomore quarterbacks. Keith Salo and Tony Randall doing fine jobs. The football team had a record of 4-5, playing under 500 ball, but some of the bright spots were Norm Dolbow, running for over a thousand yards, and All-Conference players are Ken Horrom, Norm Dolbow, Grant Ross, and David Wallis.

## Hard Work and Fun

The J. V. cheerleaders had a lot of fun and work this year firing up their team and fans. All the girls worked hard, helping the Varsity on various activities and also in making their squad a success.

## *Closer Student Body, Main Goal*

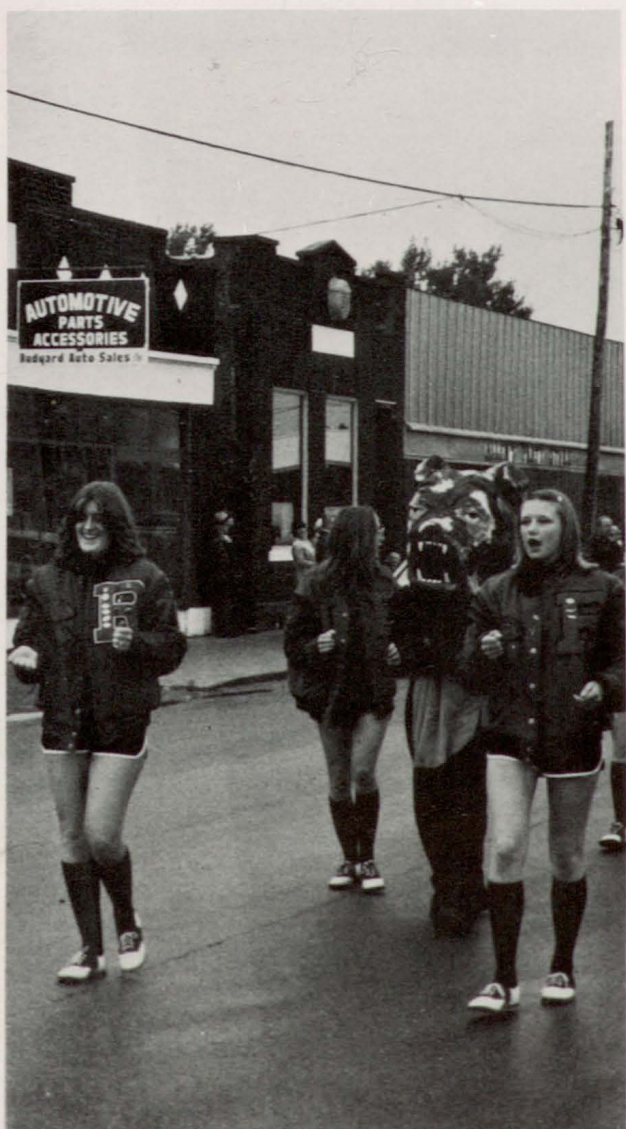

The Varsity Cheerleading squad accomplished many things this year, but the most important would have to be a closer unified feeling between the J.V. and Varsity squads.

The cheerleaders worked hard on various money raising activities such as bakesales, carwashes, and button sales. New uniforms were also acquired this year.

The squad worked toward a more spirited and closer student body under the advisorship of Mrs. Debbie MacDonald and captain Pat Barager.

The J.V. and Varsity squads sponsored two dances this year, the Homecoming and Sweetheart. Both events were a great success enjoyed by all.

# Girls Stride For Places

The R.H.S. Girls Track Team did very well after the loss of a large percentage of Base students. The team sent nine girls to U.P. Finals where, despite the loss of numbers, they placed fourth out of 15 class D schools. A first place medal was won in the 880 yd. run by Mary Radecki. This win set a new U.P. class record. Two second places were won by Linda Postma in the discus and Rudyard's 440 yd. relay team, which consisted of Paula Tremblsy, Lori Peake, Lori Suggitt, and Rose Mayer. Both second places set new school records. There was also one third place in the mile run won by Mary Radecki. The team was coached by Mrs. Cathy Ciferri who did a great job. She will be missed a lot this year.

The Boys Track Team ran hard, but didn't have an easy season. They had to compete against tough teams all season. They did succeed in sending four guys to U.P. Finals though. Unfortunately, none of the guys placed. Mr. Hamilton coached this team and was assisted by Mr. Barry.

This was a rebuilding year for the R. H. S. basketball team under first year head mentor Gary McDonald. The team was very youthful, having only two seniors back from last years team, Ken Randall and Grant Ross. The team did gain three new seniors in Ken Horrom, Ed Jarvie, and Vic Whaley. But much of the playing time went to the underclassmen in Juniors Kevin Hesselink, Mike Wirt, and Loren Peake. The team had two rookies that played a lot, Dave Steikar and Keith Salo. They were only rookies once because after their first Varsity ball game, they were no longer rookies, but came to the age of being Varsity Basketball Players. These underclassmen did a fine job and the future looks bright for them.

## *Improving Season for J.V. Girls*

The J. V. Girls Basketball team had a year of growth. Many of the girls were freshmen and needed playing experience. They had some problems with coaching, but by the middle of the season had a good coach, Bob Malaska. He helped these girls become a .500 ball club. The girls learned about basketball and many other important things, such as team work, and getting along. The experience of the sophomores helped on the team considerably. They were: Colleen Ross, Amy Jefferys, Denise Carter and Sandy Flanders. Next year we hope that there is as much interest in ball as this year and we hope that it grows even more.

The J. V. Basketball Team never lost its spirit and determination even though it had a losing season. They came back every game ready to try harder and learn from their experiences. Their coach, Bob Malaska, is to be commended for his efforts with the team. He certainly helped promote the positive attitude of the boys. Despite the loss to the J. V. team, the team was proud of its Sophomores, Dave Steikar and Keith Salo, who played Varsity and the remaining Sophomores added much experience to the team. Many Freshmen came out for the team this year and worked hard to start building for future years.

## Tomorrow's Varsity

The Jr. High 7th and 8th grade girls had a very good season. With an 8 and 2 records, these girls showed a lot of teams how to play ball. The teams coaches deserve a lot of credit, Laura Malaska and Dave Beaurgeault. These kids and coaches spent a lot of time on and off the court getting ready to play ball. We hope that these girls will keep up the good work and in the future be our varsity Stars.

In the 8th grade tournament Jeff Sherman received an individual trophy for his fine efforts during the season.

We hope that in future years that these guys will be as dedicated and determined as they are now.

# Our Kicking Pom-Poms

Spirit and enthusiasm were the main ingredients which made this year's pom-pom girls a success. The pom-pom girls participated in many activities this year; a clinic down state in Linden, many pep assemblies, and spirit week. They kept a high level of professionalism as they performed one quality routine after another. The girls worked together with their advisor, Mrs. Ceccacci, and captain, Julie Strong to maintain the spirit which provided a successful season.

Football: top: Vic Whaley, Dan Shea, Grant Ross, Ken Horrom. Bottom: Dave Wallis, Paul Gough, Rick Webb.

The seniors on a team are the best to have on your team, they have a lot of playing time and experience, and more or less have grown up a bit. These athletes are Pretty dedicated, if not they wouldn't be playing in these sports all this time, for no reason. They have put up with quite a bit and now they wish that again they could do it over. Seniors . . . remember all the good times in sports!

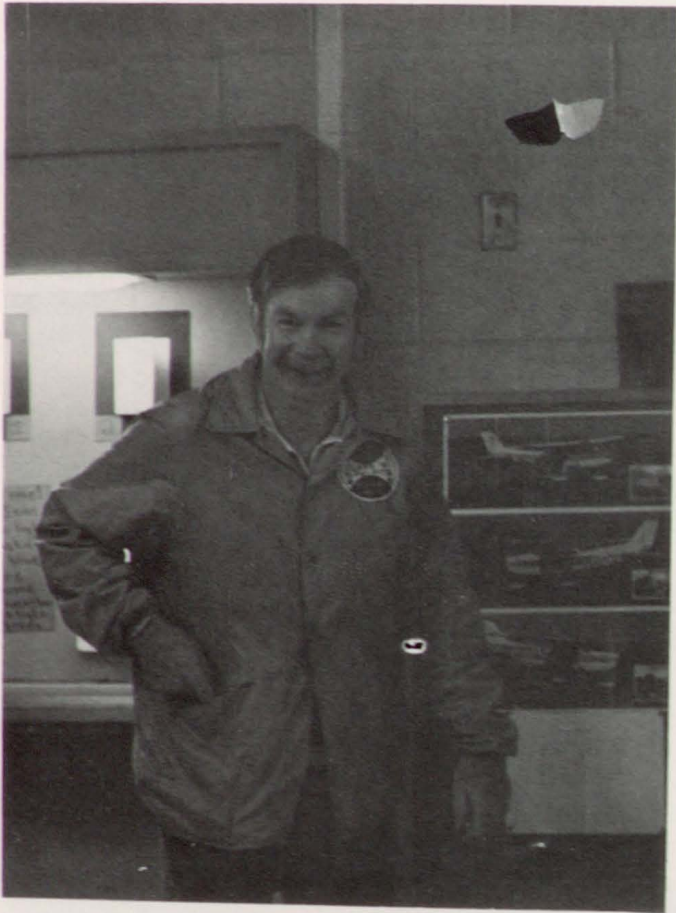

Basketball: Pat Ordiway, Linda Rippel, Threasa Bosdell, Sally Wilson, Barb Meehan, Cindy Quenneville.

The National Honor Society is made up of a group of super-active, hard working students. Many of them spend much of their free time at school working on some extra activity. The Honor Society is involved in the annual Spring Carnival and the induction of the new members.

Business Office and Education Club are what the letters B. O. E. C. stand for, but the group of students involved are much more than a name. This group traveled to district competition where many students qualified for the state competition. They worked together and had a very successful year. Members in this year's club are: seated; Shannon Mason, Wanda Vanderstar, Julie Strong, Ken Horrom, Janice Lovegrove, Brenda Mullins, standing; Denise Mayer, Susie Caskey, Sharon Kallio, Mr. Tromblay, Ken Randall, Denise Carter, Mary Jo Vonderworth, Mary Williams, Jill Hintz.

## Ski Club & Doghouse

This year's ski club had the opportunity to travel to different ski slopes in the area and try out their skill. They had several bake sales and also a couple of raffles. The club was much more active than last year, so it can be considered quite a success.

The RHS Doghouse staff is made up of the Journalism class where the students learn the basic fundamentals of putting together a school newspaper. The staff put out several interesting issues of RHS news and appeared to have a lot of fun in the process. The Doghouse staff members include; first row; Collette Mayer, Nancy Royer, Jana Ainsley, Ken Randall, Mary Jo Vonderworth, Pam Parks, Theresa Bosdell, Middle row; Karen Vanderstar, Denise Carter, Sherry Griffith, Susan Mowery, Joy Johnson, Marjie Welch, Sherry Nichols, Tammy Petkus, Stewart McDogall, Rick Shea, Mr. Rose, advisor. # Perfection Is Our Thing

The RHS Concert Band kept the high standards of excellence this year with numerous quality performances. Under the direction of Mr. Erfourth, the band completed in the MSBOA District competition where they represented our school well. The band was made up of mostly seniors, who will be missed greatly in the coming year.

The Rudyard High School Marching Band stepped out to another good season of performances. The band participated in many parades and field shows with the excellence they are known for despite adverse weather conditions. They sloshed through rain and snow, but mostly mud to bring their audience a memorable half-time. This group of students was greatly appreciated and everyone is proud to see them represent RHS. ## The Bands That Set the Beat

The RHS Jazz Band is one of the classiest bands around and they proved it this year with a job well done. They worked hard on various projects; bake sales, candy sales, to raise enough money to go on a trip to Mt. Pleasant, Michigan. There they were able to hear many other bands and had a great time.

What band has more spirit than any other? The Rudyard High School Pep Band. This band participated in many pep assemblies and other spirited activities and never seemed to lack enthusiasm. They contributed much in music to the games and were missed greatly when they weren't there. The pep band played at several Lake Superior State College basketball games where they represented Rudyard well.

# RHS Music Machine

The RHS Chorus enjoyed another successful year in singing. Hard work and determination proved to be the key factors in keeping the high standards this chorus is known for.

The chorus was again made up of the two classes combined. They participated in several concerts given throughout the year. In the spring the chorus traveled to Escanaba for the annual MSVA Chorus and Ensemble Festival. There the Rudyard chorus again succeeded in bringing home an impressive rating.

The RHS Arts Ensemble seems to keep improving with time and this year's group was no exception.

This group of students received the honor of being asked to sing for the Michigan and Arts Association convention held at the Grand Hotel on Mackinac Island. The Arts Ensemble went and received much recognition for an outstanding performance.

This group also competed in two music festivals this year where they kept the tradition of bringing back a one rating.

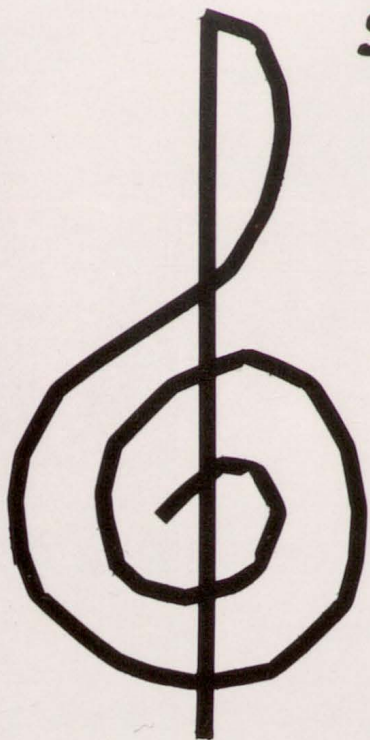

The Arts Ensemble again went on a several day tour where they had lots of fun and managed to make a lot of people happy. The group enjoyed singing together this year and is looking forward to continued success.

## *Special Moments in Music*

Many members of this year's Arts Ensemble and members of the Band participated in Solo Ensemble. There were a great number of I's which gave our school a lot to be proud of. We would like to dedicate this page to Mr. Erfourth for his untiring effort and support in this year's music program. We know that through your help we now have one of the best programs in the U.P.!

This year's Junior High was a very enthusiastic group, and because of this the high school and junior high students mixed well.

The seventh and eighth graders organized themselves fairly well and had their class officers elected quickly. They made plans for things like bake sales and had a good start on class leadership and fund raising.

All in all, the 1978-79 school year was a successful one for the junior high, and they are looking forward to bigger goals.

## Freshman

The freshman class of 1978-79 started off their first year of high school showing they were ready to work. Their involvement in many high school activities the previous school year was to their advantage, for they were already accustomed to high school life.

The freshmen entered the Homecoming float competition with a good showing. Their theme "Eat 'em Up" took a third place.

The beginning of the 1978-79 school year caught the sophomores class by surprise. The many activities at the beginning of the year piled up before they knew it. The Homecoming Float Competition was the sophomore's first opportunity to show class organization and school spirit. They worked hard to beat the undefeated Juniors, but their result was 2nd place. The Sadie Hawkins King and Queen representatives elected by the Sophomore class were Colleen Ross and David Steikar. As the Sophomores approached the final days of school, they looked forward to the summer vacation and dreams of the coming years.

# *The Last of the Seventies*

Denise Mayer  
President

We, the class of '79, look back on our days at RHS with pride and thanks for the many experiences we have had here.

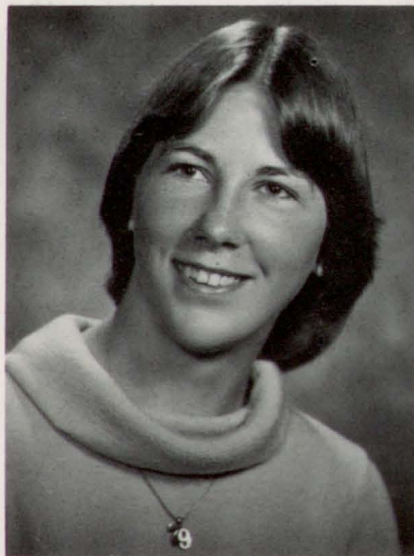

In the years ahead, we will look back on the joy and sadness we have had here and recall the many cherished memories that can never be forgotten.

We will go down the road of life with the knowledge given us by our teachers and fellow students. We will never forget the spirit contests, dances, ball games, and just plain fun times we have had here and we, the end of a decade, hope we have left a lasting impression at RHS.

\*Special help from Steve Radecki

The yearbook got off to a bad start this school year. They had to raise enough money to cover the debt of the 77-78 yearbook and also make enough to pay the expenses of the 78-79 edition.

To economize, the yearbook was done in a new way. Instead of doing triplicates, the staff members went to pastedowns. This is when yearbook prints its own pictures to the right size and paste them down on layout sheets. They had to cutout the color pages and special effect pictures because of the limited money supply.

At the carnival, yearbook came up with ideas to make money. This will leave next year's yearbook people with money in the treasury to start with so that they may make a bigger and better book for the student body.
