Media Release for Free and Reduced-Price Meals
Community Eligibility Provision (CEP)

The CCCCSD Child Nutrition Services announced today it will operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the 2026-27 school year. Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.
