26-27 Winter Wednesday Program Information

The Whitefield School is excited to announce the offerings for its Winter Wednesday Program. This year we will partner with Bretton Woods, Evergreen Sports Center, and North Country Climbing Center to offer a wide range of off campus activities.

Additionally, the WES staff has put together a full complement of fun activities to offer to students who stay on campus. While these offerings are still in the planning stage we hope to offer grade level appropriate activities involving outdoor fun, cooking, arts and crafts, painting, sewing, science experiments, board games and music.
