

# “MAKE A DIFFERENCE” HALL OF HONOR AWARD

A SYMBOL OF OUR HISTORY AND PRIDE

The Midview Medal of Honor logo was created by Mrs. Judy Otten, Midview High School art teacher. To create the logo, Mrs. Otten spent many hours researching, creating and designing medals of honor, incorporating symbolism into an emblem worthy of Midview Pride. Some interesting facts behind its symbolism are:

- The five points of the star, a trait all medals of honor share, also represent the five schools that make up the Midview District.
- The anchor at the top of the medal represents Midview’s stability and strength.
- Each point of the star is connected by two chain links, symbolizing how the individuals of the Mid- view community work together to keep the district strong—including Midview staff, volunteers, community members, and families.

All honorees of this award will be presented with their own Midview Medal of Honor—a symbol of their role in the history of our district’s greatness.

**Contributions to Midview:**

- \*Referred to by many as “Mr. Midview”. Don Binnie was a member of Midview’s first graduation class in 1956. He participated in athletics, band, choir and theatre.
- \*Don’s love for Midview continued beyond graduation and he was a Charter Member and Officer of the Athletic Booster Club.
- \*In the late 60’s he was the chairman of the committee that promoted a 14 mill levy which is the largest to pass in the history of the Midview School District.
- \*He subsequently was elected to the Midview School Board and served for sixteen years. During that tenure he was the board president when the gymnasium and locker room complex was added to the high school. It was by his insistence that the press box was included as a feature of the gymnasium which has been one of the reasons that Midview has been chosen to host the Division I Basketball Tournament for the past several years.
- \*In 1980 he organized a door-to-door campaign to raise funds to prevent the termination of the football and basketball programs for the school year.
- \*Don helped organize the Midview Athletic Hall of Fame and was the president for the first seven years.
- \*He was the Touchdown Club’s first recipient of a Lifetime Achievement Award for his contributions and efforts to support the football program.

Don Binnie continues to be an active participant in the Midview School District, helping with the recent levy that passed. Don has been and is currently a commentator for Midview athletic events presented by GLW Broadband and has often been referred to as the “Voice of the Middies”.
