COMMUNITY *Baby Shower*

Supporting growing families in Southeast Colorado

Little ones can be a lot of work—let us help!

Prowers Medical Center invites you to the **Community Baby Shower** —a free event aimed at providing local parents, guardians, and caregivers with love, guidance, and support.

Join us to connect with local family health professionals, access complimentary essential items such as free clothing and diapers, and enter our raffle for a chance to win fantastic prizes.

Baby and child experts will be on site to offer personalized advice, answer your questions, and share guidance on everything from sleep and nutrition to early childhood development.

This event promises a day of learning, community connection, and giving back. Light refreshments will be served.

Bring your family and let's celebrate together!

October 9, 2026
11 am – 2 pm

Lamar Community Building
610 S. 6th St, Lamar

💛 Care to Make a Donation?

We are seeking donations for **new** or **gently used** clothing for local toddlers and infants.
*Please ensure that clothing is clean and free from stains, debris, and holes.
Sizes Needed: Preemie - 4T)

Donation boxes are conveniently located near the hospital's main lobby and in the Prowers Medical Center Clinic lobby.

If you are interested in purchasing diapers or other gifts that will be delivered directly to Prowers Medical Center, please visit our Amazon Registry!
