eLearning Days for Inclement Weather

SDPC is an SCDE approved eLearning district. This allows us to use up to five (5) days of eLearning. These days are for emergencies such as inclement weather, utility interruptions, etc. These days are NOT planned days on the calendar.

Students have **five (5) days** from the eLearning day to complete their assignments. When students complete their assignments, they are counted as present for the day(s) missed.

Inclement Weather / Closure Make Up

If eLearning is not possible or we have used all 5 allowed days of eLearning, a closure may be necessary. Days missed due to closure of schools will be made up on the next available make-up days on the calendar. These days are February 18, March 24, and April 18.
