THANK YOU

Thank you for your generous support of Mattoon High School Athletics. As a Greenwave partner, you play a vital role in the success of our student-athletes and programs. Your contributions directly impact our ability to enhance facilities and create meaningful opportunities for our students to grow both on and off the field. We are proud to have you as part of the Mattoon family.

Hail Greenwave!

TRENT DUCKETT
ATHLETIC DIRECTOR

YEAR IN REVIEW

CELEBRATING IMPACT, TOGETHER

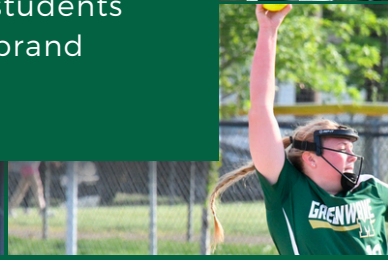

With over **300** student-athletes participating in more than **20** sports at Mattoon High School, your support of Greenwave Athletics creates a lasting impact on our students, facilities, and community.

Funding for MHS Athletics comes from a mix of general budget allocations, team fundraising, and valuable community partnerships. Your commitment opens doors to opportunities that keep our community ahead of the curve and advance our athletes' futures.

Partnering with Mattoon High School not only benefits the students and families within our community but also enhances your brand visibility, support, and recognition.

THANK YOU FROM OUR STUDENT ATHLETES

One of the greatest things I've learned as a student athlete at MHS is that growth happens outside of your comfort zone. Every practice, every game, and meet has pushed me to overcome fear, trust myself and keep going even when things felt uncertain. Some of my favorite memories aren't from games but come from laughs during practice, encouragement from teammates, and the friendships that have made every challenge worth it. Being surrounded by people who believe in me has helped me become not only a stronger athlete, but a more confident and resilient person.

CHARLOTTE SCHULTZ,
VOLLEYBALL & TRACK ATHLETE

LIVING THE GREENWAVE STANDARD

Partnering with MHS Athletics means supporting a program that truly rallies our community while positively impacting one in four district students. Our commitment goes beyond the field - through the Live the Standard (LTS) summer program, student-athletes develop mental and physical strength to live by our values year-round, fostering a culture of positivity and resilience. With the dedicated support of local community members, we're building stronger, healthier, and happier athletes who lead in sport, community, and life.

LOOKING TO MAKE A DIFFERENCE IN YOUR COMMUNITY?

Live the Standard with us. Contact us today to see how we can lead together for a better tomorrow.

20%

Facility Enhancements

Pole Vault System
High Jump System
Facility Branding & Enhancements
Legacy Row

Athlete Development

Athletic Camps - All Ages
Culture Improvements
New Weight Equipment

Game Day Ops

Professional Development for Athletes
Social Media & GameTime Radio

LEGACY ROW ENHANCEMENTS

This year, we made meaningful updates to our athletic entryway, including enhancements to the Wall of Fame, record displays, and ticket booth, with additional improvements planned for our trophy cases and north gym hallway.

The Wall of Fame project was especially meaningful, guided by a committee that brought valuable community perspectives to the process.

These updates reflect our commitment to honoring the past and achievements that have shaped our athletic program while creating space to celebrate current accomplishments and inspire future generations of students to leave a legacy. By preserving our history and strengthening our culture, Legacy Row continues to connect our past, present, and future.

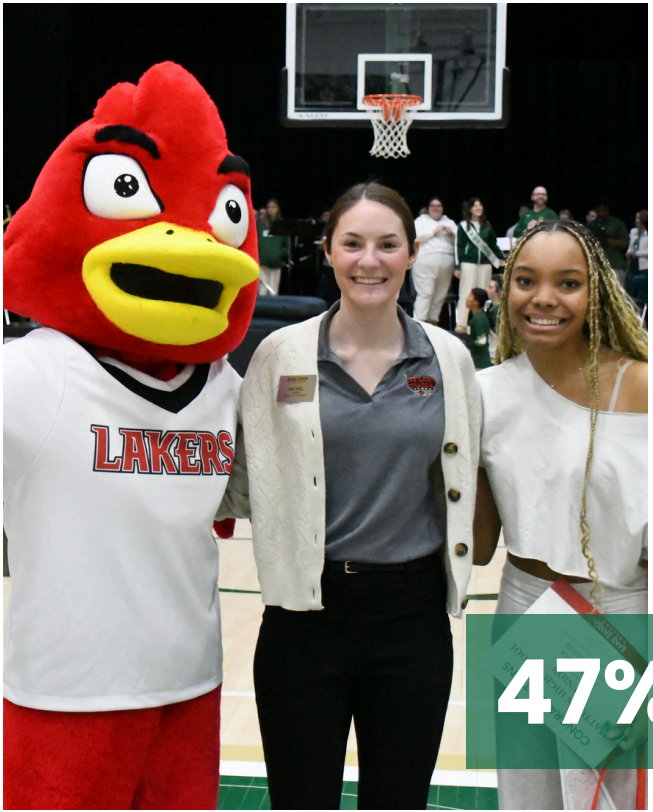

SY25 IMPROVEMENTS

Reimagined Wall of Fame Experience (Digital & Physical Displays)
Interior Ticket Booth Renovation • Comprehensive Records
Wayfinding Improvements • Update & Historical Preservation

NEXT PHASE

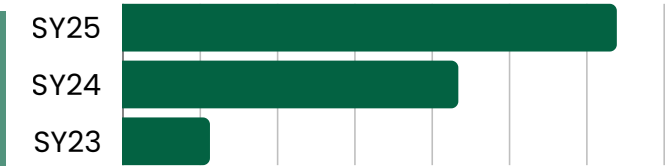

TROPHY CASE ENHANCEMENTS • ADDITIONAL RECOGNITION
OPPORTUNITIES FOR CURRENT & FUTURE STUDENT ACHIEVEMENTS
CONTINUED LEGACY ROW UPDATES & WAYFINDING IMPROVEMENTS

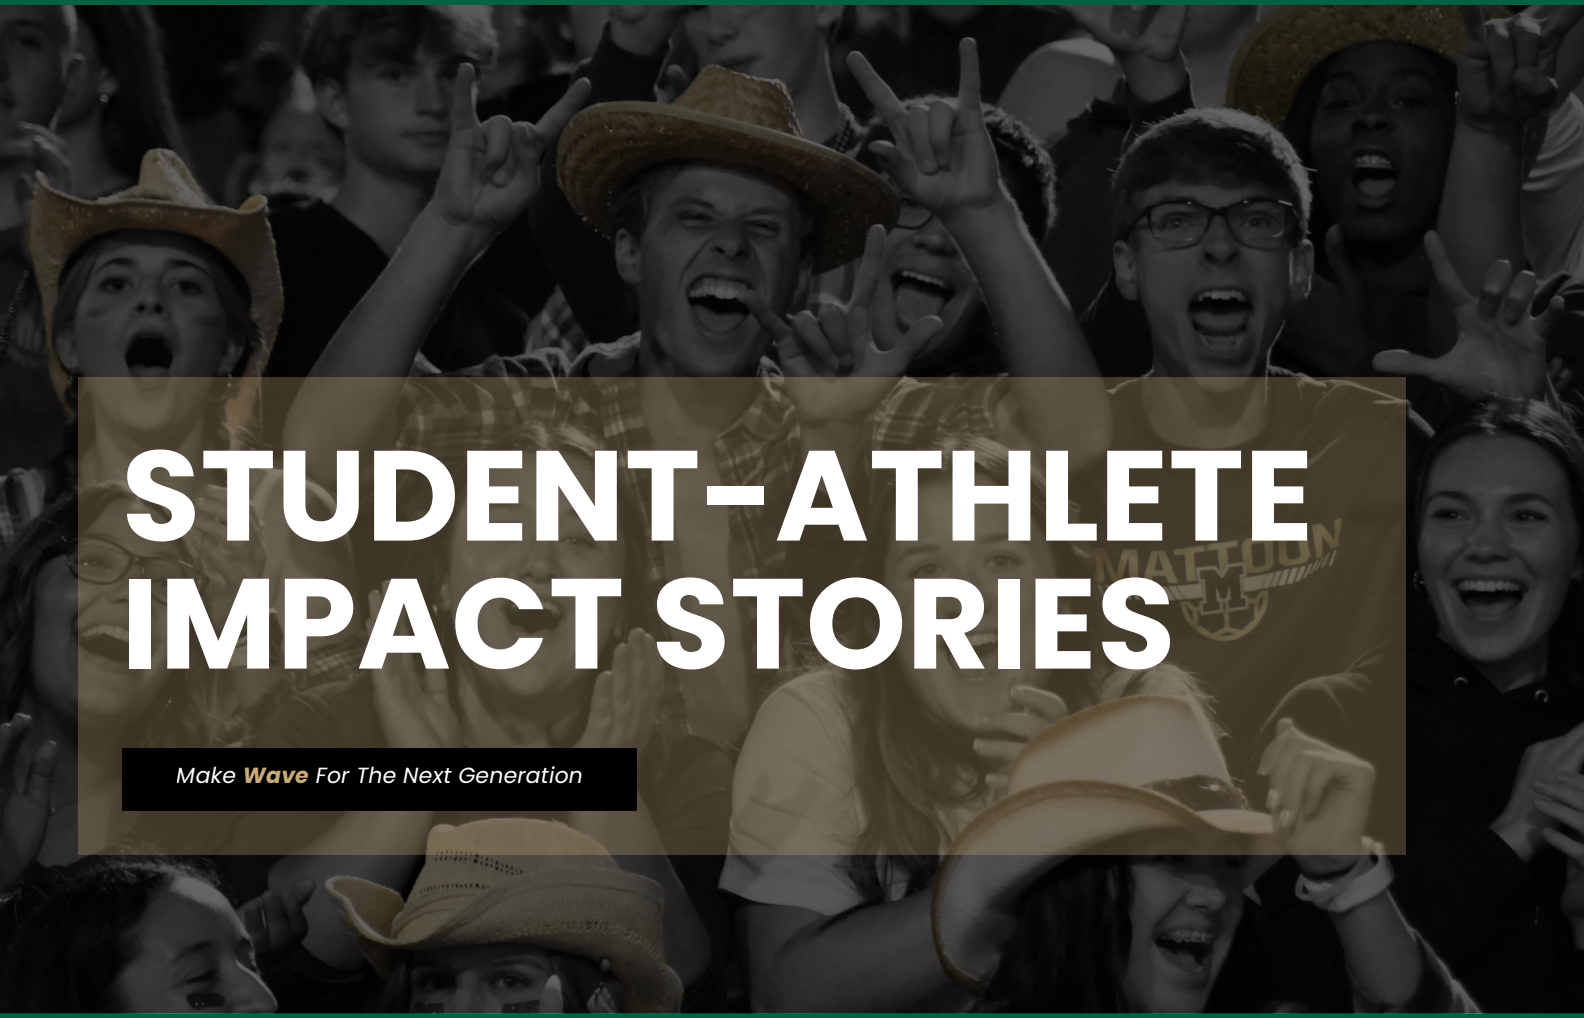

PARTNER GROWTH & ENGAGEMENT

We're incredibly grateful for the support and enthusiasm of our partners this year. Your presence has been felt both on and off the field - from halftime giveaways and pop-up spirit shops to community events and game day activities. These moments of engagement not only energize our fans but also deepen the connection between local businesses and our school community. As our programs grow, so does the opportunity to create even more meaningful and memorable experiences together.

THANK YOU FROM OUR STUDENT ATHLETES

"I've really enjoyed the friendships I've made while competing for MHS, from the friendly competition in practice and getting to share the field or court with my teammates on game days. Beating Charleston 92-50 at home and hearing Team Massive and the crowd cheer us on is a memory I'll never forget. MHS will always hold a special place in my heart, and I'm grateful I had the chance to represent Mattoon throughout my high school career."

TYLER HAACKE,
BASKETBALL & TRACK ATHLETE
