

Public Notice of Intent to Apply for Federal Grant Funds

Nacogdoches ISD will apply for the ESSA grant for the 2026-2027 year. Nacogdoches ISD plans to use these funds to support the intent and purpose of said grant.

Intent to apply for ESSA Consolidated Grant includes:

Title Program	Intent and Purpose	Expected Entitlement	Summary of planned expenditures
Title I, A	The purpose of Title I of ESSA is to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps.	\$2,916,338	Salaries, professional & contracted services, other operating costs, supplies & materials for campuses
Title II, A	The purpose of Title II, Part A is to increase student achievement consistent with the challenging State academic standards; improve the quality and effectiveness of teachers, principals, and other school leaders; increase the number of effective teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; and provide low-income and minority students greater access to effective teachers, principals, and other school leaders. The intent of the funding is to support educators in their work to improve the overall quality of instruction and ensure equity of educational opportunity for all students.	\$406,970	Salaries, professional and contracted services, other operating costs, supplies & materials
Title III, ELA	Title III, Part A of the Elementary and Secondary Education Act (ESEA), as reauthorized under the Every Student Succeeds Act (ESSA), aims to ensure that English learners (ELs) and immigrant students attain English proficiency and develop high levels of academic achievement in English. Title III will also assist all English learners meet the same challenging State	\$150,043	Salaries, professional & contracted services, other operating costs, supplies & materials

	academic standards that all children are expected to meet.		
Title IV	The overarching goal of Title IV, Part A, is to increase the capacity of state education agencies, local educational agencies (LEAs), campuses, and communities to meet the following three goals: 1. Provide all students access to a well-rounded education 2. Improve academic outcomes by maintaining safe and healthy students 3. Improve the use of technology to advance student academic achievement	\$209,368	Instructional resources, technology, and materials to support STEM and other academic programs

To meet the intent and purpose of the ESSA Consolidated Grant Programs, including Title I, Part A; Title II, Part A; Title III, Part A; and Title IV, Part A, Nacogdoches ISD plans to use federal entitlement funds to provide equitable access to high-quality instruction, support effective teachers and school leaders, improve services for English learners, expand access to a well-rounded education, promote safe and healthy learning environments, and enhance the effective use of technology to improve student academic achievement. Funds will be used for salaries, professional development, contracted services, instructional materials, supplies, technology, and other operating costs that support student success and educational equity across the district.

Grant Program	Intent and Purpose	Expected Entitlement	Summary of planned expenditures
Rural and Low-Income Schools Program (RLIS)	The purpose of the Rural and Low Income Schools (RLIS) program is to provide financial assistance to rural districts to meet local academic needs.
