The Division of Monitoring, Review, and Support at the Texas Education Agency (TEA) strives to improve special education services for the local education agencies (LEA). The monitoring process is intended to help school districts continuously improve services and facilitate positive student outcomes. As a stakeholder involved in special education, your feedback is important for continuous improvement.

Your district is participating in the special education Differentiated Monitoring and Support process. **Please provide feedback through this 10-15-minute survey**. The information gathered helps the school district's efforts for continuous improvement.

Any comments or specific concerns should be sent directly to your school district personnel, as specific concerns will not be forwarded from TEA to school districts.

Confidentiality of Data

Your responses will only be reviewed internally to assist TEA with the monitoring process. The information you share is confidential to the extent permitted by law. Responses to the survey may be subject to public information requests in accordance with the *Public Information Act*. Texas Government Code, Chapter 552.

Your participation in this study is voluntary. You may decline to answer any question, and you have the right to withdraw from participation at any time.
