Basic Service is described as follows:

1. Pick up litter in all mowing and landscaped areas
2. Mow all lawn areas
3. Edge interface areas, i.e. walks, drives, flower beds, etc..
4. Neatly trim around trees and fence post
5. Clean all drives and walkways of debris
6. Remove and dispose of all excess leaves

0.0 NO mowing or weed eating will take place around children or school personnel,

1.0 Turf will be mowed at an appropriate height for each particular grass type,

- 2.0 Clippings will be spread, or if any unsightly accumulation, removed,
- 3.0 Care will be taken to prevent tire ruts or skid marks on turf if heavy-weight, self-propelled machines are used. Contractor shall inspect and evaluate site conditions prior to a cutting to determine correct machines for the job,
- 4.0 Monofilament line trimmers will be used in conjunction with the mowing schedule. Line trimmers will be used at fences, walls, post, trees and structures,
- 5.0 Special care is mandatory to prevent turf scalping.
- 6.0 Metal blade edger is required at walks and curbs to maintain crisp edges,
- 7.0 Litter and trash will be removed from lawn areas and beds and disposed of properly prior to each mowing.
- 8.0 All clippings, dirt and debris from the above operations will be removed by sweeping and/or blowing the paving, walks, breezeways, decks and patios,
- 9.0 All trimmings and debris from the above will be disposed of in a proper and timely manner,
10. Weed and grass control in beds by cultivation to maintain a loose, aerated top layer and a weed-free appearance shall be maintained,
11. Contractor is responsible for sprinkler systems damaged by its crew and/or machines. Sprinkler heads, valve covers and risers will be replaced and installed by contractor at no additional charge,
12. Contractor will furnish proof of Commercial General Liability insurance coverage with a minimum limit of \$100,000.
13. Contractor shall provide and maintain "Workers Compensation Insurance" in full compliance with all applicable State & Federal laws and regulations.
