TARLETON MATH SCHOLARS
SUMMER PROGRAM 2026

A free 2-week summer program for rising high school sophomore, juniors, seniors, and incoming college freshmen who want an opportunity for math enrichment. Build skills, boost confidence, and get a head start —while experiencing a college environment, learn about STEM careers and receive mentorship from Tarleton State Staff!

WHAT YOU'LL DO

- Explore math in a fun, conceptual way
- Strengthen math confidence
- Learn about STEM Careers & Financial Aid
- Discover Tarleton's resources, support, and scholarship opportunities
- Build connections with mentors, faculty, and college students
- Receive a Certificate of Completion
- Get a stipend for gas

Tarleton State
Stephenville
Campus

REQUIREMENTS:
