Dear Families,

Looking for a fun way to keep your child reading this summer? Pizza Hut's BOOK IT! Summer of Stories program is back for Summer 2026 and is open to children in Pre-K through 6th grade. Students who meet their parent-set reading goals during June, July, and August can earn a free one-topping Personal Pan Pizza each month at participating Pizza Hut locations.

Getting started is easy:
• Download the free BOOK IT! app.
• Create a profile for your child.
• Set a monthly reading goal.
• Track reading progress throughout the summer.
• Earn a free pizza reward when the goal is met!

The program runs from June 1 through August 31, and families must enroll through the BOOK IT! app. Even families who participated in previous years need to register again this summer.

Several Pizza Hut locations in the Capital Region participate in the BOOK IT! program, including locations in Albany and Schenectady. Nearby locations include:
• Albany – 203 Wolf Road
• Schenectady – 1820 Altamont Avenue

For more information and to enroll, visit the BOOK IT! Program website.

Happy Reading!
