

PHS Club Descriptions 2025-26

Club Name	Description
4-H	The Preston County 4-H high school club will meet to take part in service opportunities, help plan community 4-H activities, learn about upcoming 4-H event and engage in leadership activities. The club will work to establish 4-H ambassador program that promotes 4-H throughout the county.
Chess	Chess club is for all students interested in playing or learning to play chess. The club period will be spent playing with other chess club members.
Creative Writing	Students will explore different writing prompts designed to allow them to express their creative abilities through prose.
Debate	
D&D	This club is for those interested in the tabletop role-playing game Dungeons and Dragons. We meet weekly after school to play. See Ms. Twentier with any questions. *Meets Afterschool
Digital Flim Making	
D.N.A. (Descriptions Not Applicable)	DNA is a safe space for LGBTQ+ students to connect, find support, and celebrate their identities. We offer fun activities, discussions, and resources to help you feel empowered and accepted. Join us to make new friends, learn about LGBTQ+ history and culture, and create a more inclusive school environment.
FFA Officers	FFA is an intercurricular student organization for those interested in agriculture and leadership. It is one of the three components of agricultural education. To become a member, students MUST BE ENROLLED IN AN AGRICULTURE CLASS.

	*Only elected Club Officers
FFA Showcase	FFA is an intracurricular student organization for those interested in agriculture and leadership. It is one of the three components of agricultural education. To become a member, students MUST BE ENROLLED IN AN AGRICULTURE CLASS. *Only for Competition Students
Guitar	Beginning players will learn basic guitar parts and chords as well as basic strumming patterns; more advanced players can receive instruction and assistance with playing guitar while singing. This is for basic to advanced students. Students must bring their own guitar to guarantee they will have something to play, however a couple guitars will be available for students to take turns playing, referencing chords and providing demonstrations.
HOSA (General for all Members)	This club is available to students in the CTE nursing courses. This professional organization is designed to give students something “extra” which will help them to take their place more effectively in work and society. HOSA is the place for students to expand upon the learning opportunities offered in the classroom. HOSA is not a club – it is an organization that promotes career opportunities in health and supports young people who plan to become the next generation of health professionals. *Only for Nursing Students
Interact	Interact Club is sponsored by Kingwood Rotary and is an international service organization with a goal to encourage leadership of high school students through serving others to make the world and our community a better place to live. Members are encouraged to attend both rotations each month but are required to attend at least one meeting per month. The dues are \$20 per member. This price includes the price of a t-shirt. After the first year of membership, dues will be \$15 (not to include a t-shirt). *Meets After and Outside of School Hours
International Thespian Society	The International Thespian Society is an honor society for high school and middle school theater students. It is a division of the Educational Theatre Association. Thespian troupes serve students in grades 9–12; Junior Thespian troupes serve students in grades 6 through 8. ITS provides students with opportunities to develop

	<p>their theater skills, learn about the history of theater, and network with other theater students from around the world.</p> <p>*Invitation Only</p>
Jazz Ensemble	<p>Jazz Ensemble Club is a club that meets to provide extra practice opportunities for members of the Jazz Ensemble. Membership is open to current band members by recommendation of the club advisor. Exceptions to the requirement of being a "current band member" can be made by the club advisor.</p>
NHS	<p>Students must be a member of the National Honor Society to attend this club. Dues are \$5 per year.</p> <p>*Only Juniors and Seniors *Invitation Only</p>
NTHS	<p>Members are nominated by their respective CTE teachers, then they are reviewed by the standards set by NTHS to be members in the club. Students will be inducted during the school year at an induction ceremony. These students are the top performing CTE students here at PHS.</p> <p>*Only Juniors and Seniors *Invitation Only</p>
Philosophy	<p>Do you really know why you believe in what you believe? The philosophy club is centered around philosophy which is "Thinking about thinking." We discuss popular topics like the trolley problem, Allegory of the cave, logic puzzles, and moral dilemmas. The Main Branches of Philosophy are Ethics: what is wrong and right? Metaphysics: What is real and why does it exist? Logic: How can we reason clearly? Aesthetics: What is beauty and what makes art meaningful? Philosophy isn't just a random useless topic that we can learn about, it teaches us how to think, how to properly debate, and how to socialize. Philosophy has been around since the start of time but became prominent in the 6th century BCE with great names like Socrates and Plato. There are hundreds of ways to interpret just one piece of dialogue from these greats and in the club, we can discover them.</p>

Prom	Please join us if you are creative, artistic or just interested in making sure PHS Prom is the best ever! The club members help make decorations based on the theme for prom and can even help with set-up at the Erickson in April.
Science Olympiad	Science Olympiad is a national competition where you can show off your science smarts and have fun with other like-minded students. You'll work in teams on projects related to biology, chemistry, physics, earth science, and engineering. It's a great way to learn new things, make friends, and even earn college scholarships!
Science Showdown	Science Showdown is a state competition geared towards juniors and seniors who are interested in science. Student will get to travel to Fairmont State in February to test their science smarts against students from other schools around the state.
Skills USA	<p>Students must be members of HOSA. Students in this second HOSA offering are the students who have chosen to take a chance and compete in the State Leadership Conference in March at Marshall University for their chance to showcase their skills and abilities. Those students who place in the top 3 at state competition for their chosen competitive event will then have the opportunity to attend and compete at the International Leadership Conference in June.</p> <p>*Must be a HOSA Competition Student</p>
Soccer	The Soccer Club heads to the turf field and plays a pick-up soccer games. On days the weather is bad, we stay inside and watch soccer.
Student Council	<p>"We, as students of Preston High School, are committed to make all students of Preston High feel comfortable and safe enough to learn through our voice, deeds and service."</p> <p style="text-align: right;">-Student Council Constitution.</p> <p>If you have a desire to help make PHS a more fun and safer place, please join and share your ideas!</p>

	*Meets Afterschool and Outside of Club Rotations
The Refuge	The Refuge will help students connect through social activities as well as school and community service projects. We will support other students in their extracurricular activities by attending games, plays, concerts, and other events. We are here to help students navigate the hard days and celebrate the good ones.
Volleyball	Volleyball Club is open to all skill levels. We learn basic skills then play against each other.
Walking	On days with good weather, we go out to the track field and spend time walking. On bad weather days, we will not have the club.
Young Life	Young Life consists of interactive games, Spirit-filled teaching from God's Word, and opportunities to serve our community. At Young Life, high schoolers can feel known and heard.
