Clarkston Facilities Advisory Committee
Member Application & Selection Process

Clarkston School District (CSD) is seeking additional community volunteers to join the existing Clarkston Facilities Advisory Committee (FAC).

As some members have concluded their service, we are inviting interested community members to apply and continue the important work of reviewing and recommending adjustments to the district's 25-year Capital Facilities Plan.

The Facilities Advisory Committee supports the district's commitment to ensuring every dollar spent is thoughtfully prioritized and allocated to achieve the greatest possible benefit for students. This work helps maintain a quality physical environment for student learning while remaining fiscally responsible to our taxpayers.

If you are interested in serving in this capacity, please complete and submit the attached application by February 27, 2026. The selection committee will review all applications and select new committee members no later than March 13, 2026.

Background and experience that may be helpful include, but are not limited to:

- Effective listening skills and openness to all perspectives
- Ability to collaborate, compromise, and build consensus as part of a team
- Knowledge in areas such as construction, financial planning, or facility management
- Understanding of the importance of aligning work with laws, regulations, and district policies
- Interest in supporting students, staff, and the community
- A growth-oriented mindset focused on innovation and continuous improvement

Thank you for your interest in supporting the continued improvement of Clarkston School District.

Clarkston Facilities
Advisory Committee (FAC) Application
