Jr. High Game Skills Camp June 1-4, 2026

This camp is designed to build on the fundamental camp from the previous week. It will help students to understand the movements and schemes of organized basketball but does NOT replace the importance of young players learning the PROPER FUNDAMENTALS. Students will have the opportunity to be coached by the high school basketball staff on team play. I encourage the young men to attend both camps if possible thus the total price to do so is only \$50.
