Curriculum Review Committee- Framework / Agenda

Meeting: October 20, 2021

Elkton High School Cafeteria 6:00 p.m.

Thank you for expressing an interest in reviewing our school curriculums. We have a total of 9 people, one board member and 1 teacher set to meet next week for the first of our monthly meetings. Our Committee is a function of the board and is considered a public meeting. As such we are required to advertise, take notes etc. just like any public meeting.

We will be reviewing curriculum from the District with a focus on "Critical Race Theory" and the impact it may be having on certain disciplines. However, we will also be discussing other aspects of the curriculum to include perceived holes in the alignment with State Standards. The work will include listening sessions to hear your concerns, a review of the Standards, and a review of the curriculum itself. I foresee this work requiring monthly meetings at least until May. In the interim the committee will report back to the Board monthly on their progress.

Agenda:

6:00-6:15: Introduction of committee

6:15-6:30: Establishment of meeting norms and Framework of Committee.

6:30-7:15: Listening session and activity. Committee members will have a chance to share specific concerns.

7:15-7:30: Brief review of Social Studies Standards and discussion of the State curriculum adoption process and the Elkton School District Adoption process

7:30-8:00: Feedback from group who reviewed Social Studies text books. Planning for next meeting in November.
