Staying Connected with Green Ridge R-8

Now that we are settling into a routine and things are getting busier, I want to take a moment to remind everyone of the many ways Green Ridge R-8 keeps our school community informed and up to date.

Here is a quick guide to how we communicate with you:

- **Email & Text Messages:** Sent directly using the contact information listed in our student information system. If you do not receive these, please contact the office to update your contact information.
- **School Website:** Visit www.greenridge.k12.mo.us for district updates, links, photos and historical information.
- **School Calendar:** You can subscribe to our Google Calendar by visiting the website, go to Menu and select School Google Calendar. Then click the link at the bottom “add to Google Calendar”.
- **School Mobile App:** Search for *"Green Ridge R8 School District"* by Apptegy in your app store (or scroll to the bottom of our website) to receive push notifications.
- **Facebook Page:** Follow our Facebook page for district posts and news, which can also be viewed under the "Live Feed" section of our website.
- **TeacherEase App:** Keep track of your student's grades and attendance.
- **Stack Team App:** Stay up to date on specific athletics and extracurriculars. Download the app or visit the website to select only the specific teams and groups you want to receive notifications about. See below for all the possible groups to which you can subscribe.

Thank you for partnering with us to keep our school community connected!

All teams can be found on the **Stack Team App** once downloaded or at www.teamapp.com then click "Find my team"
