**You are welcome to drop your children off all in one place, and then they may walk to their entry door. Supervision will start at 7:45am, and for the safety of our students, we ask that you do not drop them off prior to our arrival time.*

STUDENT PICK-UP

No Later Than 3:10pm

STUDENT PICK-UP LOCATIONS

Each Lincoln family will be given two "Family" name signs for our dismissal procedure. When picking up students at the end of the day, **please be sure that one of your family name signs is placed in the front passenger-side window.** This will help to identify you, and will also help our pick-up process move along efficiently. All vehicles are required to form a single-file line on Montgomery Street, north of Cady Street, heading towards Lincoln STEM School. We will have vehicles pull ahead one at a time as students are dismissed and loaded into their vehicle. PLEASE remember to be courteous to other school families, and **do not cut ahead of any cars** that are in line for pick-up! If you walk from home to pick-up your children, please wait outside the fence by the playground. We ask that parents take the time to discuss with your child(ren) how and where they will be picked up each day. There is **NO** supervision scheduled for after school and children will not be allowed to play on any of the equipment. All students are expected to leave the school campus by 3:10pm unless special arrangements have been made prior to dismissal. Please call the Lincoln STEM school office by 2:00pm if there has been a change to your child's departure schedule. Thank you for helping to keep our Lincoln STEM students safe.
