Good morning! Today is Friday, November 6th, it is a Day 1 schedule.	
Please stand and join me for the Pledge of Allegiance	
	I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all. Please be seated.
Positive Thought November	
	For today's positive thought, what is something you're proud of yourself for?
DEAR	
	In DEAR, the random stamina check was second period yesterday. According to my brief sampling, Mr. Joyce's second period was 100% locked in. Way to go. Teachers, remember to let us know if your class gets a 100% average.
Hallway expectations	
	Is it just my detective instincts, or have the hallways been getting quieter? I'm launching a new phase of Operation Hush: The Hallway Surveillance Sweep! During passing time, Secret agents will be investigating different areas throughout the building to see how our agents are doing with volume. Every location must meet the hush standard before the secret code can be released. Yestereay's code was unleashed - congratulations to McCoy Carpenter for knowing the code when he was asked. Remember, agents: No hush, no code! Keep those voices low, stay alert, and let's be a code catcher!
