Good morning! Today is Monday, November 9th, it is a Day 2 schedule.	
Please stand and join me for the Pledge of Allegiance	
	I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all. Please be seated.
Positive Thought November	
	For today's positive thought, what is something you're proud of yourself for?
DEAR	
	DEAR is back in ELA this week!
Hallway expectations	
	Agents, let's review the latest hallway intelligence! The volume has been improving each day, and our surveillance team has noticed. Excellent work! SPECIAL RECOGNITION: A shout-out to Lunch 3 and Lunch 4 for maintaining an appropriate volume while returning to class from lunch on Friday. You completed that mission successfully. Way to go! FRIDAY'S CODE CATCHER REPORT: It took a few attempts to locate our Code Catcher, but Alayna Pederson cracked the case! She knew the secret code: GOBBLE SOCKS! TODAY'S MISSION: Let's keep the secret-code fun going! Secret agents are monitoring hallway volume throughout the building to determine whether each area meets the hush standard. Remember, agents: If the hallways aren't quiet enough, the code remains classified! LAST WEEK'S SURVEILLANCE REPORT: Two locations need to turn down the volume a couple of notches: the 300 Wing and the downstairs hallway on the STEM side. These areas are officially under investigation! Agents, we know you can do this. Keep your voices low, your ears open, and your detective skills sharp. Let's make today's hallway scan a success and unlock another secret code!
