Your mission, if you're cool enough to accept it, is to keep Operation HUSH alive and well! Yesterday's secret code word was BOOMERANG! And we have TWO agents who successfully cracked the code! Congratulations to Kinsley Milton and Anabelle Mariani, our latest Code Catchers! You were listening, you remembered, and you completed your mission. Well done, agents!</p> <p>But here's the mystery we still need to solve... Several other agents were intercepted by our undercover team, and when asked for the code word, they came up empty-handed! It appears the announcement was lost in the noise in some areas of the building.</p> <p>Agents, let's remember what Operation HUSH is all about. We want our hallways to be quiet, calm, and welcoming for everyone. So, here's your challenge for today:</p> <p>If the halls get too loud, what can YOU do to help Operation HUSH succeed? You can lower your voice, remind your friends to keep it down, and do your part to keep the hallways calm. You don't have to be a secret agent to make a difference! A NEW code word could be announced at any time! Listen carefully during passing time. Our undercover agents will be on the move, and you never know when YOU might be asked to crack the code. Remember the mission motto: HEAR IT. HOLD IT. HUSH! Will you be our next Code Catcher?</p> |
