Positive Thought November	
	For today's positive moment, consider, what was something from Lt. Col. Thomas's message yesterday that resonated with you?
	One thing that resonated with me was his message of how we're all part of many different teams. We are a team, RMS! We each have to think about our role and how we make this a successful team. We have goals - we want to improve our reading and math scores, we want to make our halls more quiet and calm. We want everyone to feel as though they belong. Let's make that all happen, Panthers! We are taking steps in the right direction! Every grade level qualified for the zoo trip based on academic growth. Many eager students heard the code word yesterday, so the halls were hush. Let's keep moving in the right direction! Congratulations to Code Catcher Hayden Richards for knowing the code word -Turkey Tango!
