DEAR

In DEAR news, the 100% Stamina Scores are rolling in! The class that reached this goal yesterday were Mrs. Wehner's 3rd period, Ms. Mankeiwiczs 2nd period **for the 3rd time this week**, Mr. Parker's 1st period for the second time this week, Mr. Kranz's 2nd period also **for the second time this week,** and Mr. Kranz's 3rd period. A shout out to Mr. Kranz's 2nd, 3rd, and 4th period for being 100% prepared with their DEAR books thanks to a little peer pressure here and there. Overall, most of you are building your stamina and focus which is going to translate to other areas of your life where focus matters. If you notice yourself start to drift, STOP and remind yourself to focus. Talk with your teacher if you need suggestions for keeping your focus.
DEAR is in Social Studies/Science next week!

Sports

Last night the 7th grade A and B volleyball teams went up against Fort Atkinson and it was a clean sweep! Tensions were high, the crowd was loud, but that didn't stop both teams from winning every game!
A Team Player of the Game: **Ellie Krueger** for her non stop hustle and bringing the energy!
B Team Player of the Game: **Kaelynn Dommershausen** for serving under pressure! Serving at 24 is no easy feat, and you did it with ease!
Amazing games girls, keep the energy high!

Last night, the 8th grade teams fought hard against Fort and enjoyed some special guests in the stands! Even though the A team didn't come away with a win, it was so cool to have the WHS Varsity Volleyball Team there cheering them on and showing their support! They choose the Player of the Game **Rowan Thomas**! Way to go!!
The B Team came away with one win! Their Player of the Game was **Braylee Poling** for always giving 100% and working hard for her team!
Way to fight, girls! Keep working and keep supporting each other!

That's it for the morning announcements. Have a great day Panthers!
