- Do you like to flex your math skills? Then the Math Team is for you! The first Math Meet of the year is quickly approaching on October 8 at Oconomowoc High School. Sign up with your math teacher or see Mrs. Wegner in S118 for more details. All students are welcome!
- Attention, WHS students! Mark your calendars for College and Career Planning Night on Wednesday, October 15th, from 5:45 to 8:00 PM in the WHS Auditorium. Students, be sure to invite your parents or guardians to attend with you! The evening will begin in the auditorium, followed by a variety of informative sessions featuring University of Wisconsin schools, Wisconsin Technical Colleges, and Wisconsin's private colleges. You'll also have the opportunity to learn about apprenticeships available while you're still in high school and after graduation, as well as hear from the U.S. Military. You do not have to stay the entire evening. You can choose the sessions that are most helpful and interesting to you. Seniors, consider attending a FAFSA ("FAF-suh") session to get answers to your questions about how to pay for college or other continuing education. Any questions? Feel free to stop into Student Services for more information.

We would like to wish the following student(s) a Happy Birthday!

- Maverick Stratman
- Anastasia Dean
- Briar Wegner

At this time, please stand for the Pledge of Allegiance.
